

How to make a Pom Pom
IN 10 EASY STEPS

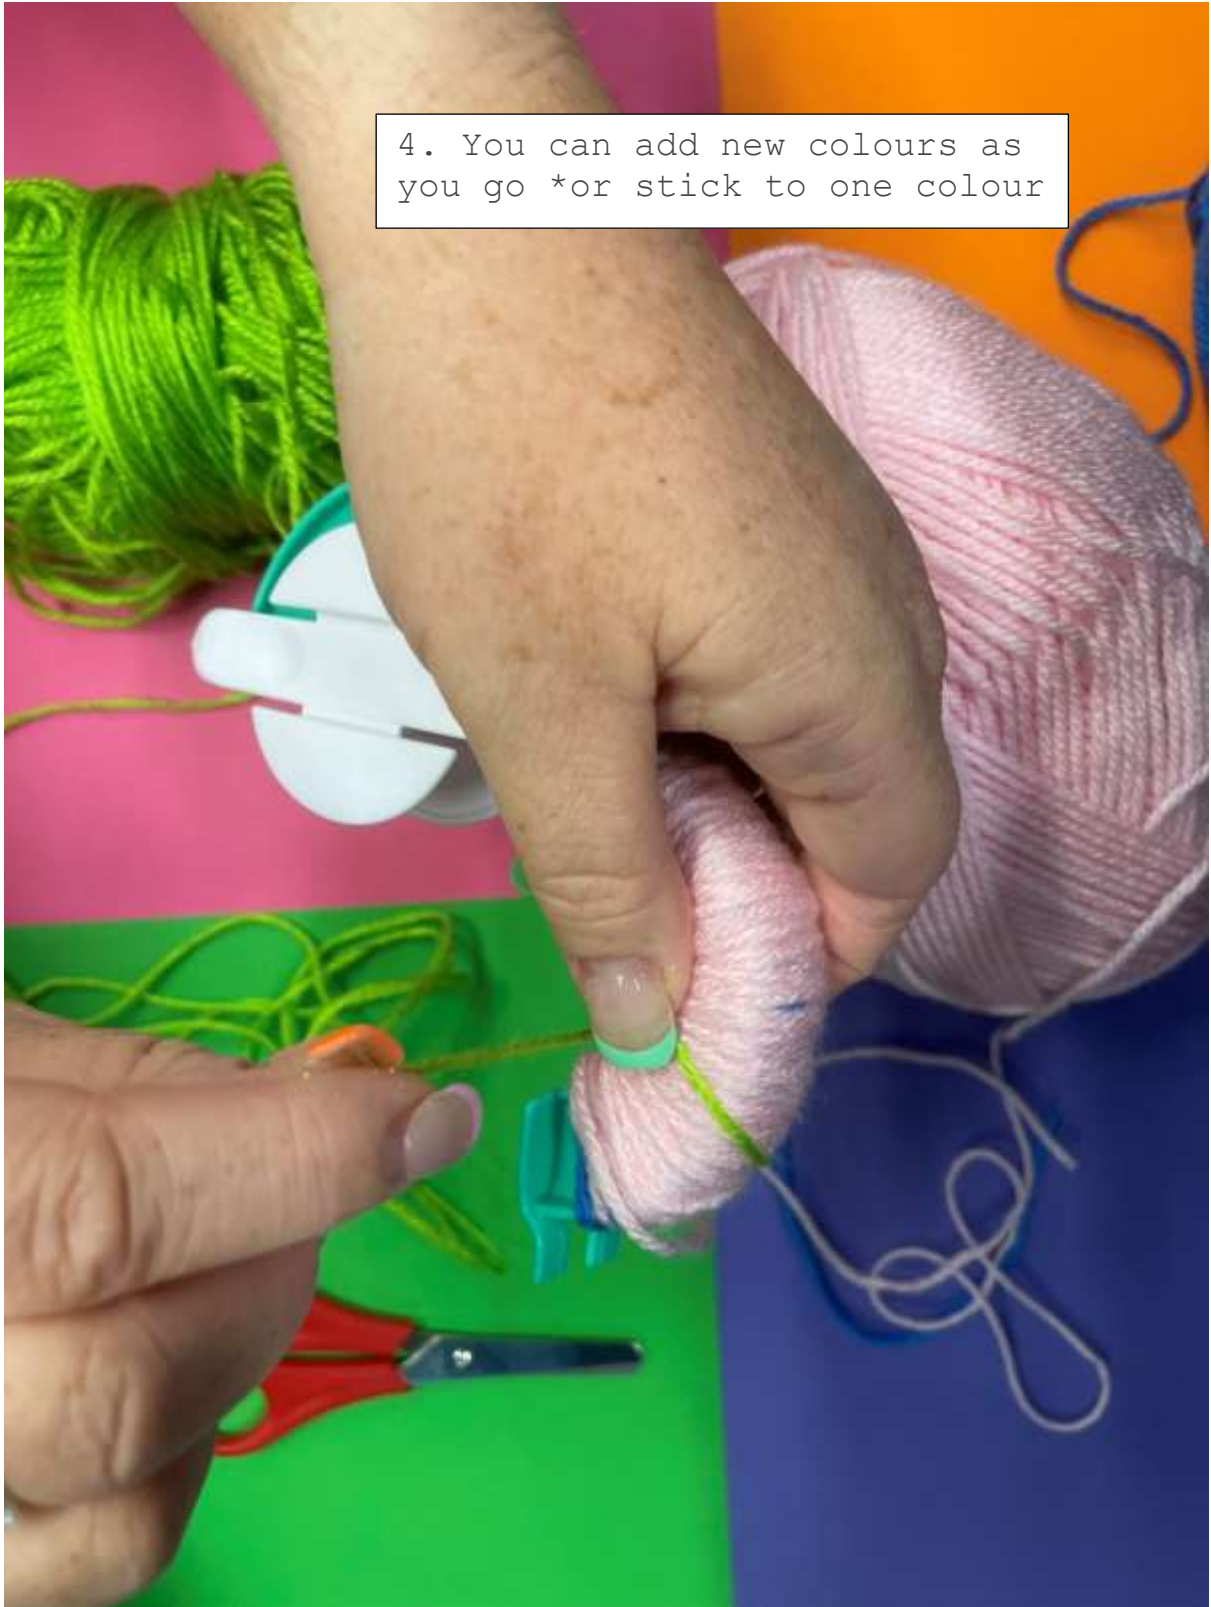

1. Gather your supplies.

2. Match up the holes and bumps of the two halves.

3. Wrap your yarn around one half until full

4. You can add new colours as you go *or stick to one colour

5. When you fill one side,
move to the other half

6. Close the two halves together and click the latch (forgot to photograph this step sorry).

7. Cut round the outside of the ring, your scissor will fit inside the groove.

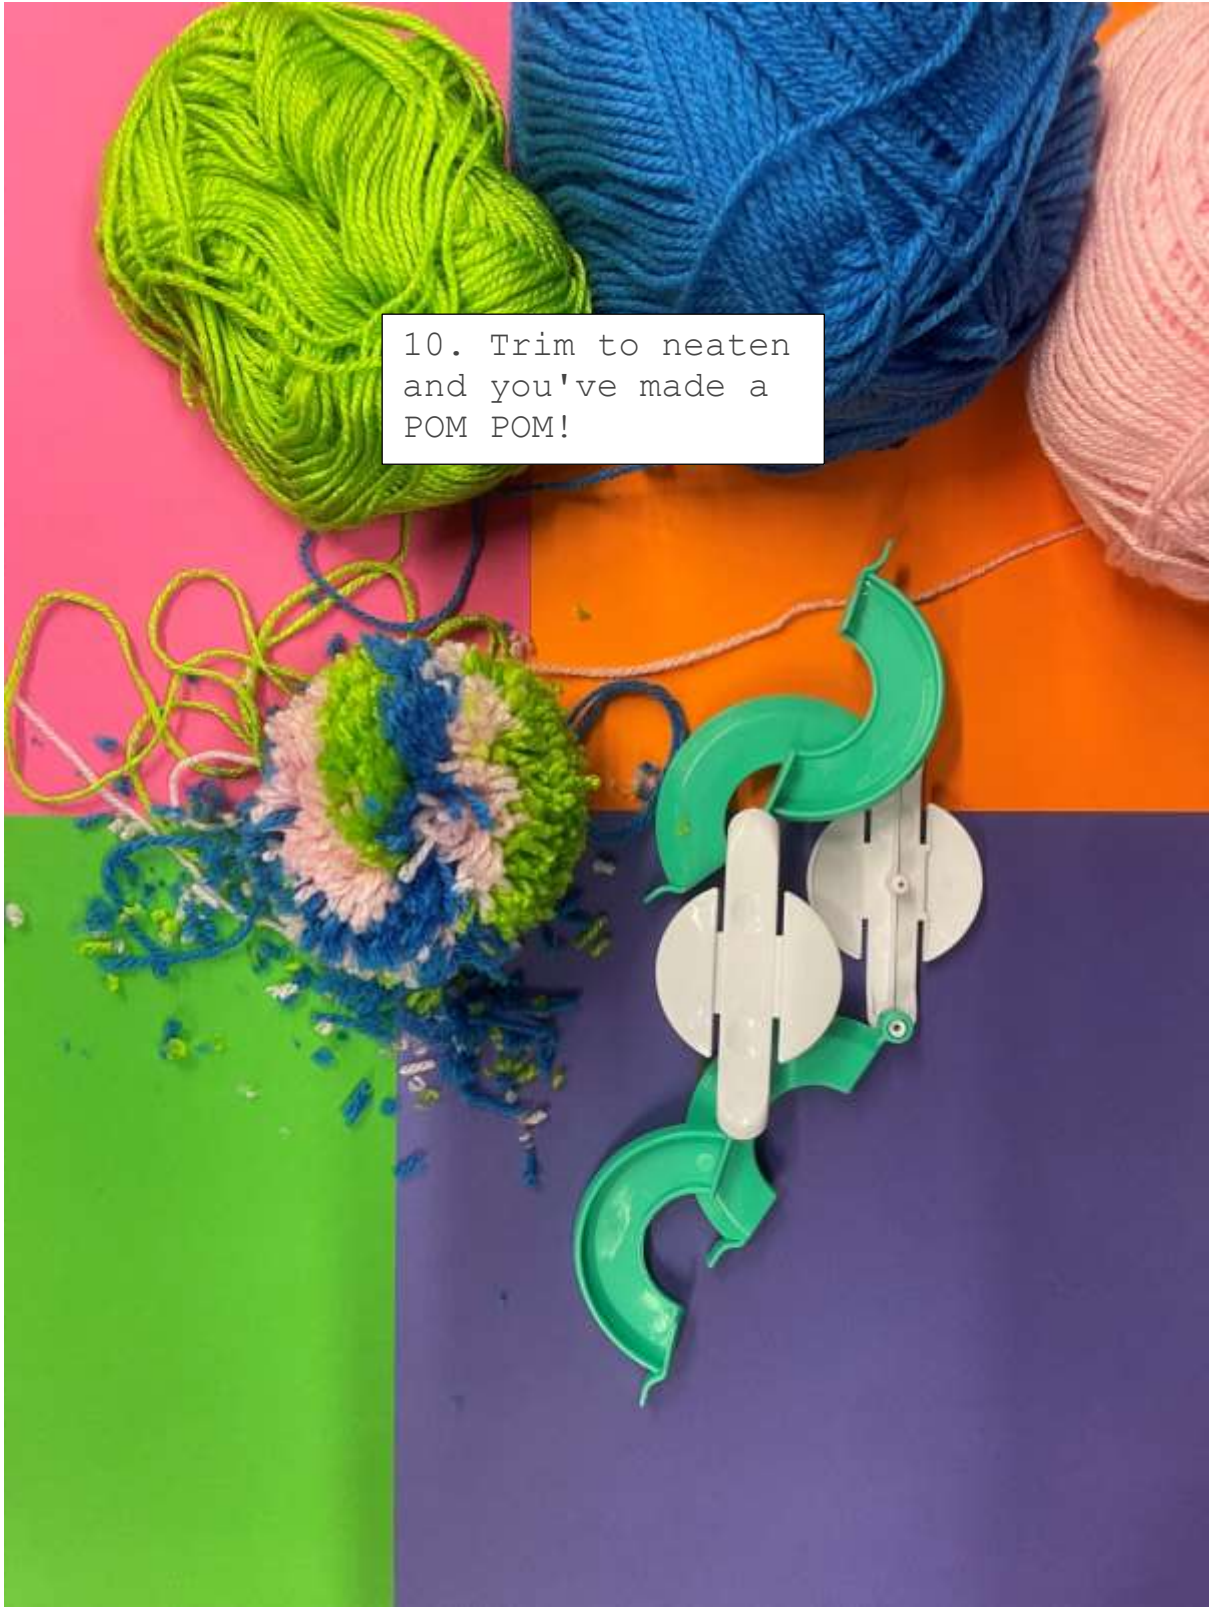

8. Take a length of yarn and slip it through the gap of the two rings, tie off firmly.

9. Undo and remove the pom pom maker

10. Trim to neaten
and you've made a
POM POM!

TADA!
