### 17 REPORTS OF THE CHIEF EXECUTIVE OFFICER

### 17.1 Fees and Charges 2017-18

### Brief

This report presents revised fees and charges for 2017/18 for consideration and adoption pursuant to the requirements of Section 188 of the *Local Government Act 1999*.

### **RECOMMENDATION(S)**

It is recommended to Council that the fees and charges as detailed in Attachment 1 of the report be adopted pursuant to Section 188 of the *Local Government Act 1999.* 

### Introduction

This report proposes changes to fees and charges which need to be adopted by Council pursuant to the requirements of Section 188 of the *Local Government Act 1999*.

### Discussion

Fees and charges have been reviewed by managers responsible within the Administration, and revised documentation is included in summarised form **(Attachment 1)**. The full document has been included with the agenda under separate cover.

Elected Members with questions about the presented information are requested to contact the General Manager, Corporate and Regulatory or the responsible General Manager prior to the Council meeting. This will help avoid a delay with progressing adoption, which could occur if questions are left until the Council meeting and the Administration is not able to provide answers at the time.

Revised fees and charges will impact the 2017/18 budget which managers are now compiling.

Note that the schedule only contains fees and charges that Council has the discretion to change. Statutory charges that are set by the SA government over which Council has no discretion are not included.

### Conclusion

Details of proposed changes for fees and charges are provided in this report and are presented for adoption by Council pursuant to the requirements of Section 188 of the *Local Government Act 1999*.

### 17.2 Request for a section 270 Review of Council Decision

### Brief

This report presents a request for an internal review of Council decision to not approve a \$3,000 sponsorship application from Mr David Gaucci on behalf on Devine Interventionz Productions for the musical theatre production, 'Violet' to be held during February and March 2017 as part of the Fringe Festival.

### **RECOMMENDATION(S)**

It is recommended to Council that having reviewed its decision of 1 November 2016 to not approve a \$3,000 sponsorship application from David Gaucci on behalf of Devine Interventionz Productions for a musical theatre production, 'Violet' to be held during February and March 2017 as part of the Fringe Festival, Council;

1. reaffirms its decision of 1 November 2016 to not approve this sponsorship application;

or

2. approves the sponsorship from David Gaucci on behalf of Devine Interventionz Productions application to the sum of \$3,000.

### Introduction

A request has been received from Mr David Gaucci, pursuant to s270 of the *Local Government Act 1999* and Council Policy - Internal Review of Council Decisions (Policy) seeking an internal review of Council's decision to not approve his sponsorship request on behalf of Devine Interventionz Productions for \$3,000 for the musical theatre production, 'Violet' to be held at the Star Theatre during February and March 2017 as part of the Fringe Festival **(Attachment 1)**.

This request from Mr Gaucci meets the criteria contained in clause 6.1.5 of the Policy **(Attachment 2)** in that:

- 1. It is not trivial
- 2. It is of substance and is credible
- 3. The applicant has sufficient interest in the matter

Given the decision to not approve the sponsorship application was made by Council, via the recommendation of the Civic Committee, clause 6.2.2. of the Policy requires this review to be undertaken by Council.

### Discussion

The sponsorship application from Devine Interventionz Productions was presented to the 25 October 2016 meeting of the Civic Committee (Attachment 3). The Committee recommended to Council that the application not be approved (Attachment 4). Subsequently at its 1 November 2016 meeting, Council adopted the recommendations of the Civic Committee (Attachment 5) with the applicant, Mr Gaucci, being advised accordingly.

In accordance with the Policy, Council needs to determine whether to reaffirm or overturn its decision of 1 November 2016 to not approve the \$3,000 sponsorship application from Mr David Gaucci on behalf of Devine Interventionz Productions.

### Conclusion

A request has been received from Mr David Gaucci on behalf of Devine Interventionz Productions seeking an internal review of Council's decision, at its 1 November 2016 meeting, to not approve his sponsorship application for \$3,000 for the production of 'Violet' at the Star Theatre as part of the Fringe Festival. In accordance with the Policy, his request is presented to Council for its consideration and determination.

Sent:12/7/2016 11:10:41 AM

Good Morning Sue,

I am in receipt of your letter dated November 21, 2016. Thank you for getting back to me on the result.

I note especially that the reason 'there was not sufficient community benefit to support the application'. I must admit to being disappointed and wanted to wait to think about why I might ask for the council to reconsider its decision on this.

This coming February 2017, will be the sixth musical that I have mounted at The Star Theatre. These are events that I put on myself, using my own funds.

Over those six events, I have will have paid well over \$40,000 in Theatre Hire, a large portion of which, I would imagine would go towards the curator (Malcolm Harslett) being able to pay the ongoing costs for the theatre. I would imagine this might include rent on the premises.

In fact I might have seen the Council see the funding being a win – win scenario, as my intention is to use those funds (\$3000) to pay for the theatre hire, I would imagine that ultimately this money would pass form the Star and go to the council as part of the curators hire.

Where the community benefit comes in is not only in my putting on these premiere events in the Star within easy walking distance of the local residents, whom I advertise to directly through mail drops etc., but also in supporting to keeping the doors of the theatre open. I also use the theatre to rehearse my shows keeping the theatre in operation through the very quiet January period. All of this in support of local theatre, The Star Theatre and the West Torrens community as well as greater western community.

In five years I would estimate, from ticket sales analysis that at least 45% of the people who have come to the Star for the shos I have put on have come from the local area or the greater western area. This also means that people from the other areas of Adelaide come over to the west to watch the shows I put on, eat food in local pubs and cafes (The Hilton, Devour) which in turn support the local economy.

I would ask please that the council reconsider its decision, any support will be appreciated.

I am a very proud western suburbs person, and my intention is to keep creating theatre in the west, with your support this is possible.

If you are concerned about the standard of theatre I create please take time to check the web page: <u>http://www.davineinterventionz.com/</u> please contact Malcolm at theatre if you require a further referee.

I look forward to your response in due course.

Go well

David Gauci VIOLET – a musical CITY OF WEST TORRENS

#### **COUNCIL POLICY - Internal Review of Council Decisions**

#### 1. Preamble

- 1.1 Council is committed to open and transparent decision making processes and to providing access to a fair and objective procedure for the internal review of its decisions, the decisions of its officers or people acting on behalf of Council.
- 1.2 Council will attempt to resolve all complaints about decisions of Council, its officers or people acting on behalf of Council without the need for formal review requests to be lodged, however, this may not always be possible.
- 1.3 This policy is developed in accordance with Section 270 of the <u>Local Government Act</u> <u>1999</u> (the Act).

#### 2. Purpose

- 2.1 To describe the principles and processes to be used when managing formal requests for the internal review of council decisions including registration, investigation, resolution and reporting.
- 2.2 To ensure that the process for managing an internal review of a council decision is fair, effective, transparent, consistent and timely.
- 2.3 To facilitate the use of information obtained from the internal review process to improve overall service delivery.
- 2.4 To ensure the objective analysis and assessment of the process originally undertaken in reaching the decision that is being disputed.

#### 3. Scope

This Policy:

- 3.1 Only applies in those instances when a formal request for an internal review of a council decision is made.
- 3.2 Applies to those decisions made by:
  - The Council
  - Employees of the Council
  - Other persons acting on behalf of the Council, which have resulted or will result in an administrative act of the Council.
- 3.3 Does not apply to applications made by employees that relate to an issue concerning their employment. Such applications will be dealt with in accordance with the *Review of an Employment Related Decision Employee Initiated Administration Policy*.
- 3.4 Will not apply when an alternative statutory process for review exists in other legislation, i.e:
  - <u>Development Act 1993</u> appeals to the Environment, Resources and Development Court.
  - Freedom of Information Act 1991 request for an Internal Review
  - Review by the SA Ombudsman.

- Courts in respect to a s255 of the Act, Order to Environment, Resources and Development Court.
- Public and Environmental Council under the *Public and Environmental Health Act* 1987, which was repealed by the <u>South Australian Public Health Act 2011</u>.
- 3.5 Does not exclude other rights and remedies available at law.

#### 4. Definitions

- 4.1 An **Applicant** is any person who makes an application for an internal review of Council decision
- 4.2 A **Council Decision** is a decision of Council, an employee of Council made under delegation or by other people acting on behalf of Council.
- 4.3 **Elected Member/s** is the term used to define all members of Council, including the Mayor.
- 4.4 An **Employee** is any individual who is employed by CWT and includes agency staff and contractors.
- 4.5 A Frivolous or Trivial complaint is a complaint that is considered by the relevant departmental manager to be minor or without merit and therefore not worthy of action or when the resources required to address such complaints would be an unreasonable diversion of public resources.
- 4.6 An **Initial Review** is a review by the manager, or the reviewing officer designated by the manager, within the responsible area.
- 4.7 An **Internal Review of a Council Decision** is a review of a decision made by Council, its employees, or other people acting on behalf of Council. The request must arise from a grievance with a Council decision on access to a service, the way in which that service is delivered, or the application of regulatory powers.
- 4.8 For the purposes of this policy, Manager refers to a member of the management team.
- 4.9 **Personal Information** is any information or opinion that identifies a person. This could include:
  - written records about a person
  - a photograph or image of a person.
- 4.10 The **Reviewing Officer** is the employee assigned to undertake an internal review of a council decision.

#### 4.11 A Vexatious Complaint is any complaint:

- from a complainant who has consistently, over a period of time, complained about minor matters or the same matter, which have previously been dealt with and new no information has been provided by the complainant.
- which the department manager, considers to be mischievous, without sufficient grounds or serving only to cause annoyance.

#### 5. Principles

#### 5.1 Commitment

- 5.1.1 Council commits to:
  - treating all applicants with respect and courtesy.
  - responding to applicant requests and enquiries promptly and efficiently.
  - acting with integrity and honesty when dealing with applicants.
  - providing relevant and timely feedback to the applicant.
- 5.1.2 All applications for an internal review of a council decision will be considered on their merits, the principles of natural justice will be observed and complainants will not suffer any reprisal from CWT for requesting an Internal Review of a Council Decision.

#### 5.2 Privacy and Confidentiality

- 5.2.1 When a request for review is referred to the Elected Council for determination, the Council may consider the matter in confidence when it is lawful and appropriate to do so, subject to one of the clauses under Section 90(3) of the <u>Act</u> being satisfied.
- 5.2.2 The applicant's personal information will be used by the reviewing officer in relation to investigating and reviewing the application.
- 5.2.3 If the application is referred to the Ombudsman, the CWT will share any relevant information relating to the application with the Ombudsman in accordance with the <u>Ombudsman Act 1972</u>.
- 5.2.4 Information contained within the application may be accessible under the *Freedom of Information Act 1991*.
- 5.2.5 An applicant may apply directly to the CWT to suppress their personal details by completing and submitting an application <u>form</u>. Forms are also available from Council's Civic Centre and the Hamra Centre Library.
  - 5.2.5.1 The CEO will assess the application and may suppress the applicant's name or address details if the CEO is satisfied that the applicant's personal safety or that of any other person is at risk. Acceptance of such applications is at the discretion of the CEO.
- 5.2.6 CWT will respond to complaints alleging misuse of personal information within five (5) business days.

#### 5.3 Data Collection

Statistical information may be used to identify areas/services/procedures that require review or that may need additional resources to provide the required level of service for customers.

#### 5.4 Reporting

In accordance with Section 270(8) of the <u>Act</u>, the CWT will provide a report in each annual report on the requests for an internal review of a council decision under this policy which will include:

- The number of requests for review received in the relevant financial year
- The matters to which the applications relate
- The outcome of the subsequent reviews, and
- Any other matter prescribed by Regulation

#### 6. Procedure

#### 6.1 Applications for a Review of a Council Decision

- 6.1.1 Requests for an Internal Review of a Council Decision may be lodged by any person with sufficient interest in a decision of Council.
- 6.1.2 Requests must be in writing, provide full details of the decision of Council, for which the applicant is seeking a review, including how the decision impacts on their rights and/or interests, and should be addressed:

If posted, to:

The Chief Executive Officer City of West Torrens 165 Sir Donald Bradman Drive HILTON SA 5033

If emailed, to:

The Chief Executive Officer City of West Torrens csu@wtcc.sa.gov.au

If faxed, to:

The Chief Executive Officer City of West Torrens Facsimile: (08) 8443 5709

- 6.1.3 If necessary, assistance will be provided to applicants to lodge a formal request for an Internal Review of a Council Decision using the Application for <u>Internal</u> <u>Review of a Council Decision Form</u>, available from Council's website <u>www.wtcc.sa.gov.au</u> or from the Civic Centre. The CEO or their delegate may amend this form from time to time to suit operational needs.
- 6.1.4 The CEO is responsible for coordinating any requests for an internal review of council decision.

Doc Set ID - 306075

Page 6 of 8

- 6.1.5 The CEO may refuse to consider an application if:
  - s/he considers the matter to be trivial, frivolous or vexatious, lacks substance or credibility and therefore investigating the application is deemed unnecessary, unjustifiable or an inappropriate use of resources
  - the applicant does not have sufficient interest in the matter.

In these instances the CEO will advise the applicant accordingly.

#### 6.2 Application Assessment Model

- 6.2.1 The CEO will assess and determine all requests for an internal review of council decision and decide what action, if any, should be taken. This may include direct referral of the matter to the Elected Council, or to an person independent of the Council, to conduct the review. The CEO may elect to appoint another officer, independent of the original decision, to review the application e.g:
  - A member of the Executive Management Team.
  - · A senior officer independent of the original decision,
  - An internal review panel set up for that express purpose (i.e. It does not have permanent status),
  - An independent review panel, mediation, conciliation or neutral evaluation.
- 6.2.2 Requests which will be directly referred to the Council for consideration or reconsideration include those regarding:
  - Decisions made by the Council via a formal resolution
  - · Civic and ceremonial matters
  - Any other matters at the discretion of the CEO.

The applicant must be informed if an application is referred to Council.

#### 6.3 Time Frame and Progress Notification

- 6.3.1 An application for an internal review of council decision will be acknowledged in writing within five (5) business days of receipt and will include advice about the expected timeframe for dealing with the matter.
- 6.3.2 In most cases, applications for an internal review of council decision will be assessed within 21 business days. However, in some circumstances the review process may take longer and, in this instance, the applicant will be advised.
- 6.3.3 The applicant will be kept informed about progress of the review if it exceeds 21 business days
- 6.3.4 If a request for an internal review of council decision has been referred to Council, the applicant will be given the opportunity to provide a verbal submission, via a deputation, in relation to the report submitted by the CEO for Council's consideration.

Doc Set ID - 306075

Page 7 of 8

#### 6.4 Opportunity to Provide Additional Information

- 6.4.1 After initially assessing an application for an internal review of council decision, the reviewing officer will (if deemed appropriate) invite the applicant to provide further information to assist in understanding the applicant's concerns, issues to be investigated and the outcome or remedy sought.
- 6.4.2 Applicants are able to supply information relevant to the initial application at any time during the review process. However, if the additional information is determined by the reviewing officer to be of a different nature the applicant will be advised of the need to submit a separate application for an internal review of council decision.

#### 6.5 Independent Review

- 6.5.1 At its absolute discretion, the Council may use alternate dispute resolution methods such as mediation, conciliation or natural evaluation to resolve an application in circumstances when the CEO or his/her delegate deems such a course of action appropriate and the applicant is amenable to that process.
- 6.5.2 Costs and expenses associated with mediation and/or conciliation will be shared equally between the Council and the other party in accordance with s271 of the <u>Act</u>.
- 6.5.3 Applicants will be encouraged to participate cooperatively in the review process. However, this will not negate the applicant's right to seek external review through the <u>SA Ombudsman</u>, other legal processes, or the judiciary at any time during the independent review process.

#### 6.6 Applications relating to Rates

- 6.6.1 Council acknowledges its obligations to respond promptly to any request relating to the impact that a declaration of rates or service charges may have on ratepayers in accordance with s270 of the <u>Act</u>.
- 6.6.2 As part of the process the Council or CEO (as part of the review process) will consider, if appropriate, the provisions available to ratepayers for rate relief or concessions as set out in the <u>Act</u>. Council can also offer alternate payment arrangements in its endeavours to assist ratepayers to meet their rate debt.

#### 6.7 Matters regarding Competitive Neutrality Pricing

6.7.1 Matters regarding competitive neutrality pricing should be referred to the <u>Australian Competition and Consumer Commission</u> (ACCC). The ACCC is an independent statutory authority appointed under the <u>Government Business</u> <u>Enterprise (Competition) Act 1996.</u>

#### 6.8 Outcome of Review

- 6.8.1 The outcome an internal review of a council decision will result in the original decision being upheld or overturned.
- 6.8.2 The applicant will be advised in writing of the outcome of the review within 5 business days of a determination being made.
- 6.8.3 Applicants who are unhappy with any stage or outcome of an internal review of council decision are at liberty to submit a complaint to the <u>SA Ombudsman</u> or seek other legal remedies.

### 7 REPORTS OF THE CHIEF EXECUTIVE OFFICER

7.1 Sponsorship Application from Davine Interventionz Productions

#### Brief

This report presents a request from Davine Interventionz Productions seeking sponsorship for the musical theatre production; *Violet* to be held in February and March 2017.

#### **RECOMMENDATION(S)**

It is recommended to the Civic Committee that it considers whether to recommend to Council that it approves the request from Davine Interventionz Productions for \$3,000 in sponsorship for the musical theatre production *Violet* to be held in February and March 2017.

#### Introduction

Davine Interventionz Productions has submitted a sponsorship application for \$3,000 to Council for the musical theatre production *Violet*, to be held in February and March 2017 (Attachment 1) in accordance with Council's Sponsorship Guidelines (Attachment 2).

#### Discussion

Davine Interventionz Productions is a not for profit community theatre company based in Woodville (City of Charles Sturt). It uses local performers, volunteers and local venues and has produced five successful shows at the Star Theatre for the Fringe and Feast Festivals since 2013.

The company is producing *Violet* for the 2017 Adelaide Fringe Festival with an estimated production cost of \$40,000. Of this, \$20,000 is sought in sponsorship from a range of agencies (\$3,000 from the City of West Torrens) and \$20,000 to be recouped from ticket sales resulting in a ticket cost of approximately \$35.

A grant application to the Fringe Festival for the 2017 production was unsuccessful and the sponsorship application has not listed any other sponsors to date. Therefore, it is unclear whether the sponsorship target will be reached.

The applicant states that the \$3,000 sponsorship would be used to hire the Star Theatre which is a private, for-profit business. However, the City of West Torrens (CWT) would get a logo on the promotional posters and flyers, an advertisement in the program and free tickets to the Adelaide season.

Although staged in a theatre within the CWT, the production is aimed at a broader Adelaide audience of 1,500 people over the 10 performances.

#### Conclusion

This report presents a sponsorship application from Davine Interventionz Productions for \$3,000, to hold a musical production at the Star Theatre, to the Committee for its consideration and subsequent recommendation to Council.

The City of West Torrens provides a range of 'in kind' services to community groups and businesses and is always available to assist with guidance and advice.

Council has several community funding programs, details of which may be found on Council's website www.wtcc.sa.gov.au, and operates a Donation Program and a Sponsorship Program.

As is the case with all commercial sponsorship arrangements, Council expects that defined and measurable outcomes be obtained in exchange for its investment. Requests for sponsorship, up to a maximum of \$3,000, should be submitted using the Sponsorship Application form.

#### **Objectives**

Sponsorship requests must align with Council's overall Vision and Mission:

Vision Committed to being the best place to live, work and enjoy life.

Mission To strive for excellence in serving our diverse community.

#### Key Considerations

Prior to submitting a sponsorship proposal, you should consider the following:

- How will your event and/or relationship with Council, provide benefits to the broad community or to specific individuals?
- What is the demographic (age range, cultural diversity etc) targeted by the event/relationship?
- Is the planned event/relationship of a local or state nature?
- · How many other sponsors are involved? Who are they and what is their level of sponsorship?
- Has any other organisation, group, agency, business been approached for sponsorship for this event and what was the outcome?
- How would West Torrens benefit from the association and how would your event/organisation benefit by Council's involvement?
- How would Council's support be promoted i.e. media, signage, direct mail to a customer group etc?
- How would the sponsorship be measured and evaluated for effectiveness?
- What level of sponsorship is Council being asked to provide (e.g. naming rights, joint sponsor, minor level) up to maximum \$3,000?

Please note that:

- Council will require up to 12 weeks to process a sponsorship request, depending on the bi monthly
  meeting schedule for the Civic Committee which must consider the request and make
  recommendations to Council.
- Events or activities that may be detrimental to Council's public image or offend particular groups will
  not be considered.
- Sponsorship that supports a specific team or Individual in the City will not be considered.

#### Sponsorship Application Form

If, after having read the above, you have a sponsorship opportunity that you would like to submit for Council's consideration, a Sponsorship Application form must be completed and returned to Council, addressed to the:

#### 13 QUESTIONS WITH NOTICE

#### 13.1 Land Division Approvals

At the meeting of Council on 4 October 2016, Cr Woodward asked the following question which was taken on notice:

How many land division approvals have been granted since the new Development Plan commenced in June 2015, and how does this compare with the last 3 years of land division approvals?

The Administration provided the following information:

The number of land division approvals granted since the new Development Plan commenced in June 2015 is 173.

Year	Number of Land Division Approvals
2012-13	127
2013-14	158
2014-15	153
2015-16 (new Development Plan)	173

Cr Woodward indicated that he would like this information to be broken down by suburb and requested that this information be included in a future Council Agenda. Answer

The breakdown of land division approvals by suburb is as follows:

Suburb	2012-13	2013-14	2014-15	2015-16	Total
Ashford	0	1	0	1	2
Brooklyn Park	12	15	14	16	57
Camden Park	6	9	7	16	38

# 17.3 Delegations required under the Local Nuisance and Litter Control Act 2016

# Brief

This report details the delegations required for the timely and efficient application of the litter control provisions contained within the *Local Nuisance and Litter Control Act 2016* and seeks Council's approval to delegate some of its decision making powers and duties under this Act to the Chief Executive Officer.

# RECOMMENDATION(S)

It is recommended to Council that:

- 1. In exercise of the power contained in s44(1) of the *Local Government Act 1999*, the powers and functions under the *Local Nuisance and Litter Control Act 2016*, as specified in the proposed 'Instrument of Delegation' provided as Attachment 1 of this report, are hereby delegated this 7<sup>th</sup> day of February 2017 to the person occupying the office of Chief Executive Officer subject to the conditions and limitations specified herein or within the 'Instrument of Delegation'.
- 2. For the purposes of the delegations made by Council to the person occupying the role of Chief Executive Officer on this the 7th day of February 2017, all delegations to the person occupying the position of Chief Executive Officer extend to any person acting in the office of Chief Executive Officer.

# Introduction

The *Local Nuisance and Litter Control Act 2016* (Act), regulates local nuisance and littering. The objects of the Act are to protect individuals and communities from local nuisance, prevent littering, improve the amenity value of local areas and to promote the creation and maintenance of a clean and healthy environment.

The Act was proclaimed on 21 July 2016 with a staged commencement. The litter control provisions of the Act commenced on 1 February 2017 with the nuisance control provisions to commence on 1 July 2017. As such, it is necessary to present proposed delegations associated with the litter control provisions under the Act to Council outside of the annual delegations review.

# Discussion

# Principles of delegation

The delegation and sub-delegation processes are necessary to ensure that the Chief Executive Officer and employees are provided with the legal authority to undertake various duties and exercise powers in accordance with legislation. They promote accountability and are considered a proactive risk management tool.

Council has many powers and duties which are governed by legislation. Section 44(1) of the *Local Government Act 1999* (LG Act) provides the ability for Council to delegate some of these decisionmaking powers and duties to the Chief Executive Officer to enable the Administration to undertake its functional and operational roles and responsibilities effectively and efficiently.

# **Proposed delegations**

Those provisions proposed to be delegated under the Act include, seizure and disposal of items, exemptions from application, disposal of litter, issuing, varying or revoking of litter and abatement notices, ability to take action on non-compliance with a notice, seek civil remedies and recovery of costs.

In line with general practice, it is proposed that all delegations be made to the Chief Executive Officer. A copy of the proposed Instrument of Delegation for the Act is attached **(Attachment 1)**. Some of the provisions delegated by Council to the Chief Executive Officer will be sub-delegated at his discretion, pursuant to s44(4(b) of the LG Act, to officers to enable them to undertake their required functional and operational roles.

#### Instrument of Delegation

To assist Members understand the 'Instrument of Delegation' the following information is provided:

#### Column 1

The first column indicates the section of the Act which allows the delegation to be made.

#### Column 2

The section title and description of the Act to which the proposed delegation relates is detailed in the second column.

#### Column 3

The third column details whether there are any conditions and limitations related to the delegation. This section is predominately used in relation to sub delegations.

#### Column 4

The fourth column details whether the section of the Act is a duty, applies to Council only or is proposed as a delegation to the person occupying the position of Chief Executive Officer.

As the Act is a newly enacted, the majority of the proposed delegations are highlighted in green as is consistent with the current delegation framework. Provisions that are either a duty or remain vested in Council are highlighted in grey as shown in the legend below:

NEW ADDITION
COUNCIL ONLY or DUTY

The 'Instrument of Delegation' is modelled on the recommended 'Instrument of Delegation' developed by Wallmans Lawyers in conjunction with the Local Government Association.

The delegations will form part of the 'Delegations Framework' and will be made available on the Council's website and for public inspection or purchase at the Civic Centre during normal business hours as required by the LG Act.

### Conclusion

The litter control provisions of the Act have recently commenced and as such there is a need for Council to delegate certain powers to the Chief Executive Officer to effect the timely and expedient application of the Act. This report details those delegations for consideration and approval by Council.

# 17.4 State and Local Government Infrastructure Grant Application

# Brief

To seek Council endorsement to the project to nominate for funding under the 2016 State Local Government Infrastructure Partnership.

# RECOMMENDATION

It is recommended to Council that it endorse the Weigall Oval redevelopment as its priority project for funding under the State Local Government Infrastructure Partnership as detailed in the report.

# Introduction

The State Local Government Infrastructure Partnership (the Partnership) has been developed to support councils to accelerate spending on community infrastructure projects and deliver public value and economic stimulus.

Under the Partnership, the State Government will provide funding support to facilitate payment of \$25 million in grants to councils for up to 20 percent of the costs of eligible projects. Councils will finance the remaining 80 percent of costs either from their own reserves or borrowings.

Partnership grants will be available as once-off projects approved in 2016/2017, with grants (inclusive of State guarantee fee) plus a 0.2 percentage point margin.

The Partnership is being administrated jointly by the Department of Planning Transport and Infrastructure (DPTI) and Local Government Association (LGA).

# Discussion

Projects are required to meet with the following essential Criteria

- Be renewal, replacement or upgrades of existing assets or the creation of new assets;
- Be included in the council's existing adopted Infrastructure and Asset Management Plan and Long-term Financial Plan and able to be brought forward by at least 2 years as a result of Partnership assistance, or be currently underfunded;
- Be supported by a business case, including cash flow projections for construction and operation phase (including any grants or private contributions to the project), and demonstrate the council's capacity to meet the ongoing additional costs associated with any new/upgraded infrastructure (i.e. maintenance, depreciation and other operating expenses associated with such infrastructure);
- Commence construction by 31 December 2017;
- Lead to additional employment and maximise the use of local contractor during the construction phase, consistent with the South Australian Industry Participation Policy;
- Use Australia certified steel products;
- Have a GST exclusive cost of at least \$1 million. This amount may comprise, for example:
  - A single project/program (e.g. a library, a single road segment);
  - A group of different but related projects (e.g. redevelopment of community facilities clustered in a single location);

 A group of projects of a similar nature that can be packaged as a single program (e.g. small road projects in different sites within the local government area which require major periodic renewal).

Further information on the Partnership is available at Attachment 1 and 2 of this report.

Applications are required to be made by close of business, Friday 28 February 2017 and applicants will be notified by Friday 31 March 2017.

It is expected that successful projects are to commence by Sunday 31 December 2017 and acquittal will be as per the funding agreement.

Under the Partnership \$25 million is available to Local Government infrastructure projects. It could be estimated that the City of West Torrens could be eligible for a grant of \$1,000,000 and therefore a total project value of \$5,000,000. The Administration have identified that the Weigall Oval project would suitably fit the essential criteria and be a suitable project for consideration.

#### Weigall Oval project

Subsequent to a Council decision in December 2011, a Masterplan for the Weigall Oval complex was developed throughout 2014 and 2015 in consultation with the existing lessee/licensee stakeholders.

Following development of the Masterplan Council consulted widely with the public in regard to the upgrade proposal, and as a result of this consultation, and the desires of the community, undertook a number of modifications to the draft plan, e.g. an increase in the number of public tennis courts to be provided (from 3 to 4 courts).

In association with, and as a precursor to the development of the playing fields, the Council is to redevelop and improve the western side of the complex (adjacent to the Westside Bikeway). This will involve landscaping of the area, construction of a new nature based playground, new tennis courts and carpark areas.

The estimated costs of the project at the time of endorsement of the Masterplan by the Council were in the order of \$7M. (NB As alluded to in the previous sentence, at this time, this costing has not been tested via a tender process). Subsequent to this endorsement, the Council committed funding of \$1M in its 16/17 budget allocation to allow preliminary landscaping and other associated works to be undertaken on (portion of) the western side of the site (adjacent to the Westside Bikeway).

This application will seek a funding grant to allow further works identified within the Masterplan, which are currently unbudgeted, to proceed.

### Conclusion

On that basis and having had consideration of the eligibility criteria particularly the focus around economic development, improving stormwater infrastructure and flood mitigation and community facilities such as Weigall Oval, it is recommended that Council considers the Weigall Oval redevelopment as its priority project for funding under the State Local Government Infrastructure Partnership.

# Introduction

The State Local Government Infrastructure Partnership (the Partnership) has been developed to support councils to accelerate spending on community infrastructure projects and deliver public value and economic stimulus.

Under the Partnership, the State government will provide funding support to facilitate payment of \$25 million in grants to councils for up to 20 per cent of the cost of eligible projects. Councils will finance the remaining 80 per cent of the cost either through their own reserves or borrowings.

Partnership grants will be available as a once-off for projects approved in 2016-17, with grants being paid once construction has commenced.

The Local Government Financing Authority (LGFA) will provide finance, for a ten-year period, for any council borrowings on Partnership projects at its cost of funds (inclusive of State guarantee fee) plus a 0.2 percentage point margin.

The Partnership is being administered jointly by the Department of Planning, Transport and Infrastructure (DPTI) and the Local Government Association (LGA).

This document provides guidance for Partnership applicants on:

- eligibility requirements;
- the submission process and required information;
- the assessment process; and
- key dates.

# Eligibility

### Who can apply?

- Any council (as constituted under the Local Government Act 1999) can apply for Partnership support.
- Two or more councils may jointly apply for a single or related group of projects located across council boundaries, provided that the respective financing contributions of each council is agreed and documented between the applicable councils.
- A Partnership grant will only be provided for a maximum of one project per council unless the program is not fully subscribed with projects that meet the essential criteria. However, councils may submit applications for more than one project.

To be considered for Partnership support, councils must demonstrate that they:

- are committed to operating in a financially sustainable manner and have adopted a Long-term Financial Plan (supported by an Infrastructure and Asset Management Plan) which demonstrates that, on average over time, the council's annual operating expenses are less than or equal to its operating revenue or at least are trending in this direction.
- understand and are comfortable with their projected levels of indebtedness resulting from the project and that those levels established by the council as part of ensuring the council's long-term financial sustainability.

#### Eligible projects (essential criteria):

To be eligible for Partnership support, proposed infrastructure projects must:

- · Be renewal, replacement or upgrades of existing assets or the creation of new assets;
- Be included in the council's existing adopted Infrastructure and Asset Management Plan and Long-term Financial Plan and able to be brought forward by at least 2 years as a result of Partnership assistance, or be currently unfunded;
- Be supported by a business case, including cashflow projections for the construction and operation phase (including any grants or private contributions to the project), and demonstrate the council's capacity to meet the ongoing additional costs associated with any new/upgraded infrastructure (i.e. maintenance, depreciation and other operating expenses associated with such infrastructure);
- Commence construction by 31 December 2017;
- Lead to additional employment and maximise the use of local contractors during the construction phase, consistent with the South Australian Industry Participation Policy;
- Use Australian certified steel products;
- Have a GST exclusive cost of at least \$1 million. This amount may comprise, for example:
  - a single project/program (e.g. a library, a single road segment);
  - a group of different but related projects (e.g. redevelopment of community facilities clustered in a single location);
  - a group of projects of a similar nature that can be packaged as a single program (e.g. small road projects in different sites within the local government area which require major periodic renewal).

In recognition of the practical difficulties faced by small regional councils in isolated areas, consideration will be given, on a case by case basis, to applications by those councils for projects with a GST exclusive cost of less than \$1 million. Without ruling out assistance for other small regional councils, it is anticipated that this concession would be available only for small regional councils with an estimated resident population of less than 3000 and rate revenue in 2016-17 of less than \$4 million.

While there is no maximum project size, depending on the level of application, the Treasurer and LGA President may decline a project, seek "staging" of a project or offer a lower grant to ensure more councils are able to participate in the program.

#### Councils must demonstrate:

- · that the proposed infrastructure project will provide identified employment benefits;
- that the project expenditure will be in addition to existing expenditure plans and there is no offsetting reduction in planned other capital expenditure in 2017-18 and 2018-19; and
- that the council has the necessary resources, project management expertise, internal controls and administrative capacity to deliver the project and maintain and renew the asset once it is complete.

LGA of SA ECM XXXXX < File Name

Page 3 of 11

#### Eligible projects (desirable criteria):

Preference will be given to projects that:

- Offer employment opportunities, particularly in areas of high unemployment
  - Are demonstrated to align with State Government priorities including:
    - South Australia's Strategic Plan [http://saplan.org.au/];
    - Ten Economic Priorities [http://economic.priorities.sa.gov.au/home];
    - Planning Strategy for South Australia [https://www.sa.gov.au/topics/property-andland/planning-and-land-management/about-the-planning-strategy-for-southaustralia];
    - Strategic Infrastructure Plan for South Australia (SIPSA) [http://www.infrastructure.sa.gov.au/strategic\_infrastructure\_plan/sa\_strategic\_infra structure\_plan];
    - Integrated Transport and Land Use Plan (ITLUP) [http://www.transportplan.sa.gov.au/]
- Provide mitigation against the impacts of major events such as floods and storms;
- Have strong community support;
- Provide ongoing economic, social or environmental benefit beyond the initial construction phase;
- Are able to start earliest.

#### Ineligible projects:

The following types of infrastructure projects will not be eligible for Partnership support:

- Projects that are for routine asset maintenance;
- Projects relating to council administrative premises (projects related to co-located community facilities such as a library located with administrative premises are allowed);
- Projects that are included in a council's 2016-17 budget;
- Projects that have already commenced or are scheduled to substantially commence before 30 June 2019;
- Projects which largely result in commercial profits to private parties (e.g. construction
  of a retail shopping centre). This does not rule out projects which will cover costs
  through user charges but are for community benefit rather than commercial profit
  making purposes.
- ICT projects (unless an integral part of a larger infrastructure proposal).

#### Assessment and Approval

The Department of Planning, Transport and Infrastructure (DPTI) will assess applications against the specified eligibility criteria. DPTI may contact applicants' nominated contact officers for clarification on aspects of their submissions. Applicants will be expected to provide a response in writing, or a copy of any additional documentation requested DPTI within a specified number of days.

Final decisions as to which projects will be supported through the program will be made jointly by the President of the Local Government Association, the Treasurer and the Minister for Local Government ("Approving Authority").

Applicants will be notified of final decisions by 31 March 2017.

The grant will be provided to successful Councils by the Local Government Finance Authority (LGFA). To access the grant funding, successful applicants will be required to sign a Funding Agreement with the LGFA (irrespective of whether or not they borrow funds with the LGFA) stipulating obligations of the applicant and the conditions under which assistance is given.

The Approving Authority is not obliged to approve any application.

The Approving Authority may consider or accept (at the Approving Authority's sole discretion) any application including without limitation a late application or the application of a council who has failed to submit an application in accordance with these guidelines.

No approval of an application, nor any notification to a council that its application is successful, nor any invitation to negotiate will be effective to constitute a contract or to create any legitimate expectation on the part of the application unless a formal written contract is executed by both parties.

Where a proposed project/program is to be implemented by two or more councils, each participating council will sign a Funding Agreement.

# Other

### Co-funding

Projects involving other State/Commonwealth grant funding or private funding may be considered for funding as part of this agreement. Where projects involve funding beyond this program:

Other funding must be fully approved and be available on the proposed "bring forward" timeframe at the time of application;

The grant under the program will be available as a proportion of the council(s) contribution, not the total project cost;

The project commencement timeframes must be brought forward by at least 2 years as a result of funding under this program.

### Acquittal

Council external auditors and respective CEOs will be required to provide a statement certifying that all funds have been expended in accordance with these guidelines (to be reflected in the funding agreement between council and the LGFA).

#### Promotion

Councils are required to invite the Treasurer and Minister for Local Government to project completion/opening events and to document projects in liaison with the LGA.

### **Early Registration**

Early registration of a proposed project is encouraged and can be provided to the LGA online via a link from <u>www.lga.sa.gov.au/infrastructurepartnership</u> by 23 December 2016.

Early registration is not compulsory but will assist in program administration.

The Local Government Association is considering various types and levels of support for Councils to help ensure maximum take-up of the State funding. It expects to conduct a briefing session, provide a business case template, a dedicated contact person and is considering ways of providing consultancy support for those Councils which may need assistance in preparing a business case/application. Further information regarding these supports will be provided via LGA Circular and at <u>www.lga.ga.gov.au/infrastructurepartnership</u>.

Enquiries can be made by contacting Patricia Coonan on 0408801026 or <u>slgip@lga.sa.gov.au</u>.

### Applications

Councils are invited to submit projects via an online form which will be linked soon from the LGA web page: <u>www.lga.sa.gov.au/infrastructurepartnership</u>.

Applications must be submitted by 28 February 2017

LGA of SA ECM XXXXX <

#### What to submit

Applicants must provide the following information to be considered for support:

- name of council
- contact details for the authorised person who will act as the nominated contact for the application and from whom more information or clarification about the application can be sought, if required;
- evidence that the council is committed to operating in a financially sustainable manner and has adopted a Long-term Financial Plan (supported by an Infrastructure and Asset Management Plan) which demonstrates that, on average over time, the council's annual operating expenses are expected to be less than or equal to its operating revenue;
- evidence that the council understands and is comfortable with its projected levels of indebtedness resulting from the project and that those levels are within target ranges established by the council as part of ensuring the council's long-term financial sustainability;
- evidence that the proposed project expenditure will be in addition to existing
  expenditure plans (i.e. that there will be a gross increase in capital expenditure due to
  Partnership support); as well as demonstrating the sustainable impact of the grant
  related project (with proposed resourcing commitments clearly identified).
- a business case for the proposed project, including:
  - details of the nature, location, type, scale of infrastructure project/program; and the target beneficiaries;
  - evidence of how the proposed infrastructure project will directly meet service needs in the local government area or provide economic development opportunities;
  - cashflow projections for the construction and operation phase and supporting documentation (such as quotes from suitably qualified contractor/s or design consultants)
  - details of project/program financing, including information regarding the availability of borrowings or internal council financing for the project, as well as other sources of financing (including other government grants or private contributions)
  - evidence of the applicant's capacity to meet the ongoing additional costs associated with any new/upgraded infrastructure (i.e. maintenance, depreciation and other operating expenses associated with the infrastructure)
  - evidence that the council has the necessary resources, project management expertise, internal controls and administrative capacity to deliver the project and maintain and renew the asset once it is complete
- a project delivery timetable, including provision for necessary approvals and market approach (if applicable). Timeline to demonstrate that project construction will commence by 31 December 2017;
- Estimates of direct additional employment generated over the life of the construction, and any estimates (where relevant) of jobs created from the asset in use once completed;
- An undertaking to use Australian certified steel products;
- · Identify any additional ongoing employment supported by the project

- · Demonstrate consistency with the SA Industry Participation Policy, including:
- Providing an undertaking to maximise the use of local contractors during the construction phase; and
  - Addressing the following:
  - How the project will maximise employment for South Australian residents
  - How the project will deliver contract and sub-contract opportunities for locally based businesses
  - How the project will incorporate these outcomes in the tendering stage should the funding be approved for the project?
- Where two or more councils are jointly applying, documentation supporting the agreed financing contributions of each council;
- Any other supporting project preparation documentation (e.g. cost-benefit analysis, project scoping, options studies, design and other relevant work) demonstrating compliance with the eligibility criteria.

# \$30m State Government investment to drive council infrastructure projects

Tom Koutsantonis October 21, 2016

Print

The State Government is committing \$30 million over ten years to support councils to accelerate spending on local community infrastructure projects.

The funding will make it easier for councils to bring forward \$125 million in local government infrastructure projects foreshadowed in their long-term planning.

Financial incentives will include State Government funding of 20 per cent towards the cost of these infrastructure projects with councils providing the remaining 80 per cent through their own reserves or borrowings.

Additionally, the Local Government Financing Authority (LGFA) will provide finance for any council borrowings at an interest rate that is, on average, 0.5 percentage points below their usual lending rates.

#### Background

This innovative funding mechanism has resulted from discussions at the Premier's State-Local Government Forum.

Those discussions have looked at how State and Local Government can co-operate to deliver greater local investment in infrastructure across the State.

The Forum – chaired by the Premier – brings together the leaders of State and Local Government and union leaders to discuss matters of mutual interest and to enhance cooperation for the benefit of South Australian communities. A shared priority is to drive jobs and investment across all communities.

The State Local Government Infrastructure Partnership will allow councils to bring forward their investment in infrastructure, deliver better facilities and services to their communities sooner and provide job opportunities.

Preference will be given to projects aligning with the State Government's economic priorities, which have strong community support and offer job opportunities in areas of high unemployment, as well as providing ongoing economic, social or environmental benefits. The Local Government Association has indicated they envisage councils will submit a range of projects including major upgrades to community facilities, such as libraries, road works, boat ramps, regional aerodromes and cycling and walking pathways.

Other areas foreshadowed by the LGA could include upgrading sporting and recreation facilities, foreshore development and protection, as well as stormwater, flood mitigation and water recycling projects.

\$30m State Government investment to drive council infrastructure projects - Jay Weatherill, Premier of South Australia

#### Quotes attributable to Treasurer Tom Koutsantonis

We are making this funding available to councils because we want to fast-track projects that will drive jobs growth and economic development.

This is a significant incentive for councils to unlock the money they have in reserve and use it to improve infrastructure in our local communities.

These infrastructure projects will be on top of the \$12 billion capital investment we announced in the State Budget that will improve transport, health and education facilities and support thousands of jobs.

#### **Quotes attributable to Local Government Minister Geoff Brock**

I'm confident councils will take up the challenge and take advantage of the incentives on offer to bring forward their infrastructure spending plans.

This will make a real difference to local communities across the State, particularly in our regions. It's very pleasing to see preference will be given to local contractors where possible which will generate more economic activity in their communities.

This partnership is another great example of the State and Local Government's working closely together to achieve a really positive result.

#### **Quotes attributable to Local Government Association President Dave Burgess**

With a one fifth up front grant and a reduced interest rate for approved projects, councils will be able to bring forward key infrastructure projects from their long term financial plans to generate local jobs and local economic benefit as soon as possible.

The LGA will work with our council members to identify the right projects to maximise the benefit for our communities.

I appreciate this support for our sector from the Premier, Treasurer, and Minister Brock, as well as the support provided by the Local Government Finance Authority.

- Minister for Local Government
- Treasurer

# 17.5 Murray Darling Association Region 7 Committee - Nominations for Regional Chair and Committee Members

# Brief

The Murray Darling Association Inc. is seeking nominations for the positions of chair and committee members of its Region 7 Executive Committee.

# RECOMMENDATION(S)

It is recommended to Council that:

- 1. Cr ..... be nominated for the position of Regional Chair on the Murray Darling Association Region 7 Executive Committee; and
- 2. Cr/s ...... be nominated as a committee member on the Murray Darling Association Region 7 Executive Committee;

or

This report be received.

# Introduction

The Chief Executive Officer of the Murray Darling Association Inc. has written to Council seeking nominations for the position of Region 7 Regional Chair and Committee Members for a period of one (1) year (Attachment 1).

# Discussion

The Murray Darling Association Inc. (MDA) is a Local Government Association (LGA) membershipbased peak representative organisation, representing local government and communities across the Murray Darling Basin. There are 179 local government organisations across the Basin whose communities derive their wellbeing from the resources contained within it.

The MDA has had a successful year of achievements as outlined in the 2016 Annual Report including:

- Active leadership in a more constructive, united, and informed dialogue between local, state and federal governments across the Basin on the issues and opportunities faced by local government under the continuing implementation of the Basin Plan.
- Development of the Strategic Plan 2016-19.
- Adoption of a new Constitution, following extensive consultation with members and stakeholders.
- Proposal of the Basin Plan Implementation Impacts Evaluation Framework.

The MDA is an independent, non-government body which provides local government with the means and opportunity to actively participate in informing water policy and liaise with all levels of government as a representative of the region.

The role of Regional Chair is also considered to be a Board Member. Board Members (Region Chairs) of the MDA have a number of different roles that must incorporate the interests of the organisation as a legal entity, the basin community, and the interests of the members and other stakeholders in their Region.

Duties include determining the allocation of financial resources via the MDA's annual budget, facilitating community participation and supporting and promoting the purpose of the MDA across the Region. The full list of duties is outlined in **Attachment 2** and the Code of Conduct in **Attachment 3**.

The term of office for Board Members is one (1) year, beginning from the date of the Region Annual General Meeting which is being held on Thursday 2 March 2017 at the Adelaide Town Hall, hosted by the Adelaide City Council. The positions of Region Chairs and Committee members are not renumerated positions.

The constitution of the MDA provides that Council is able to nominate up to 5 members (Elected Members or Officers). Councillor Arthur Mangos is the current chair of the MDA.

Nominations will be submitted to the Returning Officer no later than close of business on 23 February 2017 (Attachment 4).

Applications for Region 7 Chair must include a brief CV and statement addressing the skills and attributes of the nominee. This information will be distributed to members of the MDA and posted on the MDA website.

### Conclusion

The Chief Executive Officer of the Murray Darling Association Inc. is seeking nominations for a Regional Chair and committee members to the Murray Darling Association Region 7 Committee for a period of one (1) year. As requested by the MDA, Council's nominations will be submitted by 23 February 2017.

#### From: "Emma Bradbury" To: "Emma Bradbury" Subject: MDA Region 7 AGM - Invitation to nominate for Regional Chair and committee positions - \*\*Please distribute to all councillors\*\*

The Murray Darling Association Region 7 Annual General Meeting will be held Thursday 2nd Mar 2017 at the Adelaide Town Hall, hosted by the Adelaide City Council. Please find attached nomination forms and information for prospective nominees to the Region 7 Chair and executive committee.

Nominations for the position of Regional Chair and Committee members must be lodged with the Returning Officer no later than 5.00pm on Thursday 23<sup>rd</sup> February. Nominations for Regional Chair must include the express support of the nominee's council on council letterhead, or by resolution of council. Please forward all nominations to The Returning Officer at email <u>ceo@mda.asn.au</u>. All nominations will be distributed to member councils with the meeting papers and agenda on Friday 24<sup>th</sup> February, for your consideration in advance of the election at the AGM.

As you will know, the MDA is an LGA membership-based peak representative organisation, representing local government and our communities across the Murray Darling Basin. There are 179 local government organisations across the Basin whose communities derive their wellbeing from the resources contained within it. The MDA provides local government with the means and opportunity to actively participate in informing water policy, and the involvement of your council is vital to achieve this.

The MDA can point to a very successful year of achievements as outlined in the 2016 Annual Report, including:

- Active leadership in a more constructive, united, and informed dialogue between local, state and federal governments across the Basin on the issues and opportunities faced by local government under the continuing implementation of the Basin Plan.
- Development of our <u>Strategic Plan 2016-19</u>
- Adoption of a new Constitution, following extensive consultation with members and stakeholders.
- proposal of the Basin Plan Implementation Impacts Evaluation Framework.

This organisation, and the voice of local government is as strong as the leadership and participation of our member councils within our regions. All councils across the Adelaide metropolitan region, MDA Region 7, are warmly invited and encouraged to consider the importance of your council's active participation and attend this important meeting.

For further information and nominations, please contact myself or your region executive.

# Board Member Duty Statement

# INTRODUCTION

The Murray Darling Association Inc is a not for profit organisation incorporated under the Association's Incorporation Act 1984 NSW. (Registered No: Y 40317-47)

The Constitution of the Murray Darling Association sets out that the Board of Management is comprised of the Chairs of the Regions.

The Chair of the Region is an elected position. As such, a Chair of the Region is a Board Member by extension, with all the duties and obligations that implies.

It is important that any council nominating a delegate to stand as the chair of the Region is aware of what the position requires.

This policy seeks to ensure that member councils and delegates holding positions on the MDA Board of Management are aware of their respective duties and obligations.

# POSITION

Board Members of the Murray Darling Association have a number of different roles that must incorporate the interests of the organisation as a legal entity, the whole of basin community, and the interests of the members and other stakeholders in their Region.

Board Members play a vital leadership role in creating and implementing their Association's vision, strategic direction and values.

# BOARD MEMBER ACCOUNTABILITY AND REPRESENTATION

Board Members are accountable to the council and the Region they represent; to the whole of Basin community; and to the Murray Darling Association.

As Board Members, where the focus is necessarily on governing in the best interests of the entire Murray Darling Association, Board Members are accountable in multiple ways. These include acting in their roles as directors, policy makers, strategists and financial overseers

Board Members as Regional Chairs also have to represent their Regions on a wide range of issues. In doing so, board members must obey the law, including the principle of natural justice, and their obligations to their councils as councilors and elected representatives of their

For conservation and sustainable development

immediate community. Board Members may often have to deal with a range of requests, perspectives and sometimes competing priorities on basin related outcomes - which they need to find ways to deal with, preferably in collaboration with the MDA board and the executive.

All these types of accountability are equally important and need to be accommodated.

# **DUTY STATEMENT**

The Board Member will

- support the Murray Darling Association's purpose;
- act in accordance with the Constitution of the MDA
- adhere to the Board Members' Code of Conduct; and
- commit to the Vision and the Values to the Board, the Regions and the ordinary members at all times.
- undertake the duties and responsibilities set out in this duty statement

# DUTIES

- To determine the financial strategy and allocation of resources via the annual budget
- To develop a strategic plan for the Murray Darling Association in pursuit of and a sustainable future for the organization, seeking social, economic and environmental benefits for the whole of Basin community.
- To manage the relationship with, and employment of, the chief executive officer.
- To facilitate community participation
- Facilitate and conduct four regional meetings per year in accordance with the MDA Constitution.
- To support and promote the purpose of the organization across the Region.
- To report to the Board on matters of Regional significance.
- To understand and manage the different roles as Regional Chair, and board member
- To liaise and coordinate with other levels of government, non-government, community groups, the private sector and other members.
- If elected by the Board to a specific role then please refer to that Duty Statement for further details.
- To represent the interests of your Region, local councils and community stakeholders.
- To properly inform and liaise with the member council of whom you are a delegate.
- To conduct regular Region meetings.
- To adhere to all other requirements laid down in the Constitution of the Murray Darling Association.
- The term of office is 1 years from the Region AGM.

# **PERSONAL ATTRIBUTES**

The following personal attributes will contribute to the effective performance of a high functioning Board of Management.

Board Members will

- Prepare for meetings by reading agendas, reports and briefing content
- Actively participate and contribute to discussions in a constructive manner
- Make decisions based on accurate information

# For conservation and sustainable development

Dear Mayor,

The Salvation Army has been busier than ever over the last 12 months helping people in need. Without the support of the Councils in our state this would not be possible and we want to say *"Thank You!"* 

In 2015/16 we raised \$636,901.03 through our Red Shield Neighbourhood Appeal (Doorknock) in South Australia for which we are very thankful to all South Australians.

As a courtesy The Salvation Army would like to advise Council that we will again be conducting this Appeal over the month of May, with the main Doorknock being the weekend of the  $27^{th}$  and  $28^{th}$  May 2017

This Appeal will benefit many in your local community through various programs conducted by local Salvation Army initiatives.

Again, we thank you for your generous support of The Salvation Army's Neighbourhood Appeal.

Yours sincere

Dear Mr Buss and Mayor Trainor

On behalf of the Minister for Climate Change, the Hon Ian Hunter MLC, thank you for your letter dated 16 December 2016, regarding the AdaptWest Climate Change Adaptation Plan.

I am advised that the Department of Environment, Water and Natural Resources (DEWNR) will prepare a whole of Government, state-wide response to the key priorities identified across the regional adaptation plans by the end of 2017. I encourage you to not wait for this to be finalised, and to work with the relevant State agencies, groups, or businesses that you have identified as partners during this time to implement your plan.

If you have any further questions, please contact Ms Michelle Benison, Senior Policy Officer, DEWNR, on 8463 3822 or <u>michelle.benison@sa.gov.au</u>.

#### OPAL Evaluation Project Final Report and update on Community Wellbeing Alliance

Further to correspondence of 14 November 2016 I advise that the OPAL Evaluation project final report has now been publicly released.

The evaluation was conducted by a team of 12 experts as part of the Flinders University OPAL Evaluation Project Team. The Flinders Evaluation project is the first of a two-component evaluation process, the second being led by the University of South Australia and is expected in the first half of 2017.

The evaluation looked at the impact of OPAL on children's healthy weight range, quality of life and secondary measures like eating practices, impacts on the school and home environment and community capacity building. Data was also collected from socio-demographically matched comparison communities where the intervention did not take place.

The main finding is that prevalence of overweight/obesity was stable for children in OPAL communities. Children in comparison communities (where OPAL did not take place) increased in overweight/obesity by 5% from the baseline. However, these between group differences are not statistically significant, meaning that it is not possible to infer that the observed difference was due to anything other than chance.

However there are a number of positive behavioural changes seen in OPAL communities which reinforce the continued sector appetite for ongoing work addressing disease prevention and health promotion:

- More parents received nutrition and/or physical activity information from schools;
- Parent reports of increased farmers/produce markets in community;
- Children spent less time watching TV and fewer TVs/computers were present in homes and in bedrooms;
- Greater physical activity was noted in the home including parents being more physically active;
- Greater use of community gardens was reported; and
- The OPAL program was characterised as playing varying roles in communities as facilitator, collaborator and resource provider. The Community Capacity Building evaluation clearly articulated the "value of a community development approach in obesity prevention".

In this regard, former LGA President Mayor Dave Burgess commenced discussions with Dr Paddy Phillips and Dr Kevin Buckett from Office of Public Health, System Performance and Service Delivery SA Health on how we can continue to work together to support community wellbeing.

Outcomes of these discussions have resulted in the proposal to establish a Community Wellbeing Alliance.

The Alliance would embed Community Wellbeing Officers within each of the Regional LGAs to work with local government to implement Regional Public Health Plans, respond to emerging public health issues and build/promote community wellbeing. This structure would seek to support all 68 councils in South Australia.

This proposal responds to a number of strategic drivers:

- Alignment with Public Health Legislation and Regional Public Health Planning recognising that councils are Local Public Health Authorities and are the level of Government closest to communities, with expertise in community wellbeing;
- The Premier's State of wellbeing agenda and Health Eating Menu Taskforce; and
- The most recent data available (Dec 2016 release) in the Healthy Communities report, released by the Australian Institute of Health and Welfare (AIHW) which showed that 73% of adults in Regional South Australia were overweight or obese - the highest rate in Australia.

Importantly, this Alliance model has value for local employment, capitalising on local knowledge and networks (including with, for example, NGOs, RDAs, community groups/members and service providers) and enables agility to respond to regional issues. Taking a whole-of-community approach to community wellbeing, the program could feasibly prioritise population-level risk factors such as adult obesity, building on the OPAL knowledge-base and respond to the State Public Health Plan priority - *increasing opportunities for healthy living, healthy eating and being active.* 

.../3

Local Government Association of South Australia The voice of local government.

-3-

It is proposed that the Community Wellbeing Alliance be positioned to launch as soon as is possible, to transition from the existing OPAL programs and the momentum and goodwill that has been generated.

The Office of Public Health at SA Health has indicated preliminary support for this proposal and pleasingly the Premier also indicated support during discussions at the 14 December 2016 Premier's State Local Government Forum.

There is more work to be done around this proposition including establishment of a suitable state/ local government working group to consider and scope funding models and to test the concept with the Local Government sector.

Further information will be provided as the Alliance proposal discussions are progressed. Please find attached a copy of the OPAL Evaluation Project Final Report.

LGA Executive Director Public Affairs, Lisa Teburea would be happy to answer any queries about this proposal and can be contacted on 8224 2068 or email <u>lisa.teburea@lga.sa.gov.au</u>.

Dear Mr Buss

#### Board of the West Beach Trust Appointments

It is my pleasure to advise that, pursuant to section 7(1)(c) of the *West Beach Recreation Reserve Act 1987* (the Act), I have appointed Cr George Demetriou as a member of the West Beach Trust for a term of four years commencing on 13 February 2017.

Mr Michael Coxon has not been reappointed, and I have written to Mr Coxon to advise accordingly. I have also written to Cr George Demetriou to advise him of his appointment.

I would like to thank you and the City of West Torrens for your input into the selection process.

Yours sincerely,

John Rau Deputy Premier Minister for Planning

### 21 CONFIDENTIAL

### 21.1 Acquisition of Premises - Morphett Road, North Plympton

#### **Reason for Confidentiality**

The Council is satisfied that, pursuant to Section 90(3) (b)(i) and (b)(ii) of the *Local Government Act 1999,* the information to be received, discussed or considered in relation to this agenda item is:

- (b)(i) information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the council is conducting, or proposing to conduct, business, or to prejudice the commercial position of the council.
- (b)(ii) information the disclosure of which would, on balance, be contrary to the public interest.

#### **RECOMMENDATION(S)**

It is recommended to Council that:

- 1. Pursuant to Section 90(2) of the Local Government Act 1999, Council orders, that the public, with the exception of the Chief Executive Officer, members of the Executive and Management Teams in attendance at the meeting, and meeting secretariat staff, be excluded from attendance at so much of the meeting as is necessary to receive, discuss and consider in confidence, information contained within the confidential report Item 21.1 Acquisition of Premises Morphett Road, North Plympton, attachments and any associated documentation submitted by the Chief Executive Officer, specifically on the basis of the provisions of Section 90(3) (b)(i) and (b)(ii) because the information received, discussed and considered in relation to this agenda item is information, the disclosure of which could reasonably be expected to severely prejudice Council's ability to achieve the best possible outcome relating to the acquisition of the site on Morphett Road, North Plympton and would, on balance, be contrary to the public interest.
- 2. At the completion of the confidential session the meeting be re-opened to the public.

### 11.1 Falcon Reserve Petition - Request to Install Fence

#### Brief

To provide information to Council relating to a petition that has been received requesting the installation of a fence with a safety latch gate along the frontage of the newly-created Falcon Reserve.

#### RECOMMENDATION(S)

The Committee recommends to Council that:

- 1. A partial barrier structure be installed to address the concerns of the petition while not compromising the design elements of Falcon Reserve.
- 2. Road signage be installed to improve driver awareness of the playground and the presence of children.
- 3. The head petitioner be notified accordingly.

#### Introduction

A petition was received from Helen Siasios, Head Petitioner, on behalf of 114 residents and ratepayers of the City of West Torrens requesting the installation of a fence with a safety latch gate along the frontage of the newly-created Falcon Reserve (Attachment 1).

At its meeting on 15 November 2016, the petition was presented to Council in which it resolved that *"a report be presented to a future meeting of Council"*, even though the petition did not meet the requirements of sections 8(1)(c) of Council's *Code of Practice - Procedures at Meetings* (the Code) in that the name and address of each person who signed or endorsed the petition were not complete.

Of the 114 signatures on the petition, only 35 people have included a full name and address; of these, 27 people reside within the City of West Torrens. However, given the compliance of the petition to all other provisions of the Code, and the minor administrative nature of the non-compliance, the petition was presented to Council.

Correspondence has also been received from Steve Georganas MP Federal Member for Hindmarsh in support of this petition (Attachment 2).

#### Discussion

Falcon Reserve (the Reserve) is located at 10 Falcon Avenue, Mile End, and was formerly the site occupied by the Thebarton Neighbourhood House. The house was demolished in 2015 to develop a new park and playground for the community. The Reserve was opened on 11 July 2016.

The following photo provides Members' with the current design and layout of the Reserve:

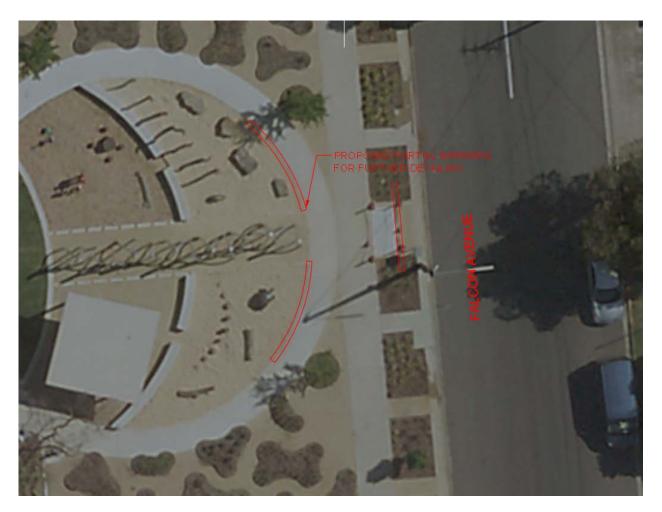

Falcon Avenue is a local residential street in the Council's road network. The most recent traffic count undertaken in January 2017 in front of the Reserve shows that daily traffic volumes were approximately 1,500 vehicles per day. These volumes are typical of residential streets and below the generally accepted limit of 2,000 vehicles per day for such streets.

The 85<sup>th</sup> percentile speed (the speed that 85% of drivers travel at or below) measured was 40km/h. This is considered to be low and would mainly be due to the proximity of the roundabout, which helps reduce speeds on the approach and departure sides. The commercial vehicle usage was found to be 2.1%, which is not unusual for residential streets.

On the basis of the above traffic data collected by Council, Falcon Avenue carries reasonable traffic volumes with low speeds.

With the combination of wide frontage of the Reserve and the relatively wide and unobstructed verge, a driver approaching from both directions towards the frontage should have good sightlines of the verge and road conditions ahead.

With the aforementioned points of design intent as well as traffic conditions along Falcon Avenue, a more balanced approach to a fence structure, that the petitioners are seeking, is recommended. The Administration has reviewed the functionality of the open space area and while it is reluctant to recommend the installation of a fence option along the entire frontage of the Reserve, a partial barrier fence could be installed as per the below plan.

The partial barrier fence is the Administration's preferred option to help minimise the perceived risk and alleviate concerns some users of the Reserve may have in regards to children playing in the close vicinity of the roadway.

This would provide additional barriers between the roadway and 'play areas' within the Reserve and somewhat address concerns highlighted within the petition. This structure would be designed as a complementary feature of the Reserve and not detract significantly from the original design intent.

Essentially, the open space area has been designed to invite people into the Reserve and for parents to interact and supervise children whilst they play. The design of the Reserve, with the circular paths, allows for movement around the Reserve providing clear open space vision of children both playing and/or riding bicycles, *etc.* The footpath across the front of the Reserve joins the circular footpaths within the Reserve, with the merging of these footpaths serving to bring pedestrians along Falcon Avenue into the Reserve.

To fully satisfy the concerns highlighted within the petition, any fence that Council installs would need to meet the guidelines for a full safety barrier fence like the type used around playgrounds (with a child-proof gate). This would require a similar standard as those used for pool safety, inevitably changing the appearance and the use of the Reserve.

Also the installation of a fence along the entire frontage of the Reserve may change the general use of the open space and may allow other users to use the area as an off-leash dog park.

If a decision is made by Council to install a new fence along the entire frontage of the Reserve, then the design and layout of a new fence will also need to ensure that there is adequate access onto the Reserve for Council operational staff.

As an additional measure to the proposed installation of a partial barrier fence and to further improve driver awareness of the Reserve, a warning sign, *CHILDREN* (W6-3), with supplementary plant *PLAYGROUND* (W8-13), could be installed on both approaches to the reserve/playground in Falcon Avenue to further alert drivers to the presence of children in the area.

### Conclusion

The request of the petition to install full barrier fencing or similar does not align with the design intent of the Falcon Avenue Reserve and local traffic conditions are not considered to be unreasonable. For this reason, it is recommended that additional traffic signage be installed and a balanced approach be taken with further partial barriers installed that are complementary to the Reserve and provide increased separation between Reserve users and the roadway.

Mr Terry Buss CEO City of West Torrens 165 Sir Donald Bradman Drive HILTON SA 5033

Dear Mr Buss Terru

Thank you for your correspondence of 6 October 2016, in relation to representations I have made on behalf of my constituent Ms Helen Siasios of Falcon Avenue, Mile End.

I understand Ms Siasios has now provided the West Torrens Council with a petition requesting additional safety improvements at the Falcon Avenue Reserve.

I write to add my support to Ms Siasios efforts and note that more than 100 people have signed the petition, showing significant support for a fence at the reserve.

The newly redeveloped Falcon Avenue Reserve is very popular with the community and one I regularly take my own grand children to.

However, being on a busy back street, I understand the importance of having additional safety mechanisms here to give parents and caregivers peace of mind when they take children out to enjoy this fantastic public asset.

I believe this proposal is a simple solution to ensure the safety of our community.

Yours sincerely

### 11.2 Request for Liquor Licence - Western Youth Centre

#### Brief

The Western Youth Centre Inc. has written to Council seeking Council's consent (in its capacity as landlord) for the grant of a Limited Club Licence at the facility.

### RECOMMENDATION(S)

The Committee recommends to Council that:

- 1. The Western Youth Centre Inc.(WYC) be advised that Council (in its capacity as landlord) provides its consent for the grant of a Limited Club (Liquor) Licence at the facility to the Western Youth Centre Cricket Club on condition that the WYC, in its capacity as lessee of the facility, take responsibility for ensuring that there is no breach of the relevant Act or of the conditions of the liquor licence or anything that may result in the liquor licence being revoked or suspended.
- 2. The Western Youth Centre Inc. be further advised that the standard conditions contained within Council's Liquor Licensing policy (as follows at 2.3-2.12) will, where applicable, apply and that the following conditions will be embodied within a Deed of Variation (or similar document) to the existing lease agreement:
  - 2.1 The liquor licence be solely for use by the Western Youth Centre Cricket Club.
  - 2.2 The liquor licence to operate only during the cricket season and only between the hours of 6:30pm and 11:00pm on Saturdays when the "A" Grade Cricket team plays a home match or at times when a designated fundraising event has been approved by the WYC.
  - 2.3 There shall be no entertainment on or in any balcony or outdoor area (the intention is to minimise the impact of noise).
  - 2.4 There shall be no loudspeakers placed on or in the fascia of the premises, balcony or in any adjacent outdoor area or footpath (the intention is to minimise the impact of noise).
  - 2.5 The Licensee shall at all times ensure that noise levels should be in accord with EPA Guidelines and the Liquor Licensing Regulations.
  - 2.6 All entertainment shall cease one hour prior to closing time (to reduce disturbance to residents).
  - 2.7 No loudspeaker shall be placed closer than 4 metres to any entrance to or exit from the premises and at all times, any such loudspeaker is to be directed away from entrances or exits and into the premises proper (to minimise the 'spill out' of noise emissions).
  - 2.8 All external doors and windows are to be closed when the 'in-house' sound system is in use (other than for playing low level background music), live entertainment is being undertaken or a jukebox is available for use (to minimise the 'spill out' of noise emissions).
  - 2.9 No garbage or refuse, including empty bottles and cans, is to be moved from inside the premises to outside storage bins or areas between the hours of 11pm and 7am the following morning after an event (to reduce disturbance to residents).

- 2.10 Garbage or refuse, including empty bottles and cans, is not to be available for collection by waste disposal or similar operators (other than operators employed or organised by the CWT) between the hours of 11pm and 7am the following morning after an event (to reduce disturbance to residents).
- 2.11 The Licensee shall have displayed at all exits from the premises clearly visible signs in the form of: "Please Leave These Premises As Quietly and Quickly As Possible to Reduce Disturbance to Nearby Residents" (wording is discretionary).
- 2.12 The premises or entertainment to take place within the premises shall not be advertised or promoted by the licensee or any of its entertainers by way of posters or other advertising material fixed, attached or marked on any Council property without the authorisation of the CWT or any private property without the authorisation of the landlord (to prevent unauthorised bill-posting).
- 3. The Mayor and Chief Executive Officer be authorised to sign and seal any documentation to give effect to this resolution.

#### Introduction

Correspondence has been received from the Western Youth Centre Inc (WYC), in its capacity as the 'umbrella' organisation for the cricket club (sub-licensee /hirer), seeking Council's consent for the grant of a Limited Club Licence (Attachment 1). The liquor licence will enable the cricket club to serve alcohol on Saturdays during the cricket season and occasionally at other times (e.g. during special club events).

#### Discussion

The lease held by the WYC requires that it seek Council's prior consent, in its capacity as landlord, for the grant of a liquor licence. The licence requested is not dissimilar to those operating within many of Council's (leased or licensed) sporting club facilities and on this basis the Administration is supportive of the application. Such consent should be conditional on the Licensee taking responsibility to ensure that there is no breach of the relevant Act or of the conditions of the liquor licence or anything that may result in the liquor licence being revoked or suspended.

The WYC has further advised that the liquor licence which is sought is:

- solely for use by the cricket club (and accordingly an officer from the cricket club with be the responsible person in attendance); and
- generally only be used on Saturdays, for after match events during the cricket season, when the "A" grade cricket team plays a home match at WYC. (The occasional exceptions to this being if the club conducts a fundraising event e.g. quiz night or the biannual memorial one day cricket event.)
   1.

Further, the WYC has specified that the licence will be limited to operating between the hours of 6:30pm and 11:00pm during this period.

In addition to the above it is suggested that the following conditions, which are included within Council's Liquor Licensing policy, be imposed on the licence:

- There shall be no entertainment on or in any balcony or outdoor area (the intention is to minimise the impact of noise).
- There shall be no loudspeakers placed on or in the fascia of the premises, balcony or in any adjacent outdoor area or footpath (the intention is to minimise the impact of noise).
- The Licensee shall at all times ensure that noise levels are in accord with EPA Guidelines and the Liquor Licensing Regulations.

- All entertainment shall cease one hour prior to closing time (to reduce disturbance to residents).
- No loudspeaker shall be placed closer than 4 metres to any entrance to or exit from the premises and at all times, any such loudspeaker is to be directed away from entrances or exits and into the premises proper (to minimise the 'spill out' of noise emissions).
- All external doors and windows are to be closed when the 'in-house' sound system is in use (other than for playing low level background music), live entertainment is being undertaken or a jukebox is available for use (to minimise the 'spill out' of noise emissions).
- No garbage or refuse, including empty bottles and cans, is to be moved from inside the premises to outside storage bins or area between the hours of 11pm and 7am the following morning after an event (to reduce disturbance to residents).
- Garbage or refuse, including empty bottles and cans, is not to be available for collection by waste disposal or similar operators (other than operators employed or organised by the CWT) between the hours of 11pm and 7am the following morning (to reduce disturbance to residents).
- The Licensee shall have displayed at all exits from the premises clearly visible signs in the form of: "Please Leave These Premises As Quietly and Quickly As Possible to Reduce Disturbance to Nearby Residents" (wording is discretionary).
- The premises or entertainment to take place within the premises shall not be advertised or promoted by the licensee or any of its entertainers by way of posters or other advertising material fixed, attached or marked on any Council property without the authorisation of the CWT or any private property without the authorisation of the landlord (to prevent unauthorised bill-posting)

All conditions will be embodied within a Deed of Variation or similar to the lease held by the WYC.

Please also note that in accordance with Council's Liquor Licence Policy, further consultation may still be required in regard to this request.

### Conclusion

The Western Youth Centre Inc. on behalf of the WYC Cricket Club has sought Council's consent for the grant of a limited liquor licence. The request is supported on condition that the Centre meets all obligations under the terms of the licence and that it adheres to relevant conditions from Council's Liquor Licensing Policy. It is anticipated that these conditions will be specified within a Deed of Variation (or similar document) to the Centre's lease agreement.

Dear Steve,

#### RE: Limited Club Liquor Liecence

Western Youth Centre Inc would like to request permission from the West Torrens Council to acquire a Limited Club Liquor Licence for the purpose of after match presentations and fundraising, which are to be held on the premises at 79 Marion Road Cowandilla on behalf of our Cricket Club.

We have had a Liquor Licence here before which was held by Nu-Style Dance for many years this has now lapsed several years ago. The Cricket club is now seeking your permission to apply for this Limited Club Liquor Licence. They have gone through the steps with the relevant authorities to acquire this licence, which we have supplied you with this letter.

The committee has discussed this at our Board meeting so now we seek your permission to allow our Cricket club to go ahead. The Limited Club Liquor Licence is a more cost effective way to go for the Cricket club as getting the individual date licences are very costly. The Cricket club is hoping by getting this licence they can improve their fundraising and membership base here at the Centre.

Thank you for this opportunity

### 11.3 Reid Street Permit Update

### Brief

This report advises that a request has been received to change the permit for the portion of Reid Street, Thebarton granted to Reid Torrens Partnership to a new entity, namely Thebarton Management Pty Ltd.

#### **RECOMMENDATION(S)**

The Committee recommends to Council that:

- A permit for a term of 5 years commencing on 30 November 2016 at an initial permit fee of \$20,900 pa plus GST be granted to Thebarton Management Pty Ltd for use of that portion of Reid Street Thebarton as delineated in Attachment 1 of the report.
- 2. The permit fee escalate by Adelaide All Groups Consumer Price Index (CPI) (or similar index should that index be discontinued) on each anniversary of the commencement date.
- 3. The Mayor and Chief Executive Officer be authorised to sign and seal any documentation giving effect to the grant of permit.

#### Introduction

At its meeting of 15 November 2016, Council resolved the request from the University of Adelaide and Reid Torrens Partnership to allow the University to surrender its permit conditional upon the grant of a new permit (under ostensibly the same terms and conditions as the existing permit held by the University) to Reid Torrens Partnership for the use of portion of Reid Street, Thebarton.

The report further indicated that the Administration was seeking advice from its property consultant in regard to a commencing permit fee.

A copy of the aerial plan indicating the extent of the area (to be) held under permit is attached **(Attachment 1)**.

Correspondence has since been received from agents acting on behalf of Reid Torrens Partnership requesting that the permit to be held by a different entity, namely Thebarton Management Pty Ltd **(Attachment 2)**.

#### Discussion

The request for the substitution of a different entity to that which was previously notified is effectively mechanical in nature, but nevertheless one that does require the consent of Council, as a sign and seal motion to a different entity to that previously advised is required.

The substitution of a single legal entity, as opposed to a partnership comprising a number of separate legal entities, is also likely to be less problematic from a Council perspective as Council will only have to deal with the one entity.

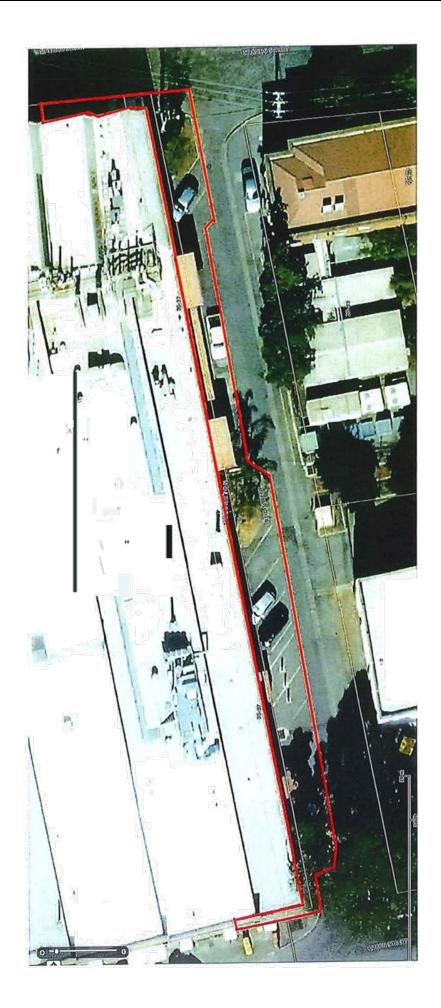

The Administration also takes this opportunity to advise that the valuation advice referred to in the previous report has now been received. This advice suggests that an appropriate permit fee at commencement of the new permit term is \$20,900 pa plus GST.

### Conclusion

The request received by Agents acting on behalf of Reid Torrens Partnership seeking the permit for use of portion of Reid Street, Thebarton be granted to Thebarton Management Pty Ltd be supported.

Hi Enzo,

Further to earlier discussions, attached is the clarification sought and in addition provides the commencing annual permit fee.

Briefly we need confirmation of the entity and signature title of who will be entering into the agreement for the lease of Reid Street. Earlier advice was "Reid Torrens Partnership" to which the Council resolution was noted in.

If any different then a subsequent report would need to be presented to Council with the new entity.

Should you require any further clarification please contact Steve Watson. Regards Joe Ielasi Manager City Assets City of West Torrens

# 11.4 Urban Services Activities Report

# Brief

To provide Elected Members with information on activities within the Urban Services Division.

# RECOMMENDATION

The Committee recommends to Council that the Activities Report be received.

# Discussion

This report details the key activities of the City Assets, City Development and City Works Departments.

Special Project Work	
New Drainage System - Lockleys Catchment May Terrace Stage 3	Some minor finishing works and the connection of the drainage to the northern end of the street are continuing through to the early part of 2017.
New Drainage System - Lockleys Catchment Henley Beach Road Crossings Stage 4a	A Civil Contractor, Culvert and Pipe supply and service alterations for the drainage crossing of Henley Beach Road at Rutland Avenue have been engaged. Based on favourable coordination of service alterations, there is the desire for the commencement of these works in early March 2017.
New Drainage System - Lockleys Catchment Henley Beach Road Crossings Stage 4b	Design drawings and documentation for the drainage crossing of Henley Beach Road at May Terrace, and continuation along Rowells Road and Douglas Street, are sufficiently complete to enable tendering of these works. The commencing of service alteration coordination, pipe and culvert supply tendering and liaising with DPTI will also be commenced during February 2017.
Stormwater Management Plan	Works are continuing of this project.
Rankine Road, Mile End - Stormwater Drainage	Practical completion of this project has been reached, however a couple of defects with the works undertaken have been identified, which are proposed to be addressed by the Civil Contractor during February 2017.
West Beach Drainage System - Flood Wall	Emergency works to coordinate the reinstatement of the wall are ongoing, with the major integrity damage of the wall already reinstated.
River Torrens Linear Park, (Pedestrian Light Project)	The project has been awarded for the River Torrens Linear Park Pedestrian Lighting Project on the next stages (6 and 7) of pedestrian lighting for the 2016/17 program of works, from Henley Beach Rd to Tapleys Hill Rd, Lockleys / Fulham. The works are scheduled to commence in April 2017.

Westside Bikeway, Moss Ave, (Pedestrian Lighting Project)	The project has been awarded for the 2016/17 stage of pedestrian lighting on the Westside Bikeway, from Barwell Ave to Richmond Rd, Marleston. The works are scheduled to commence in April / May 2017.
Coast Watchers Reserve - Pedestrian Lighting	The project has been awarded for the upgrade of the pedestrian lighting on Coast Watchers Reserve on the pathway from Henley Beach Road to Ashburn Avenue, Fulham. The works are scheduled to commence in March / April 2017.

## Compliance

Compliance actions include investigating potential use of properties for activities that haven't been approved, buildings being constructed without the required approvals, checking of older buildings that may be becoming structurally unsound.

Sec 84 notices are the first stage of prosecution for unapproved development.

Sec 69 notices are the first stage of prosecution for unsafe buildings.

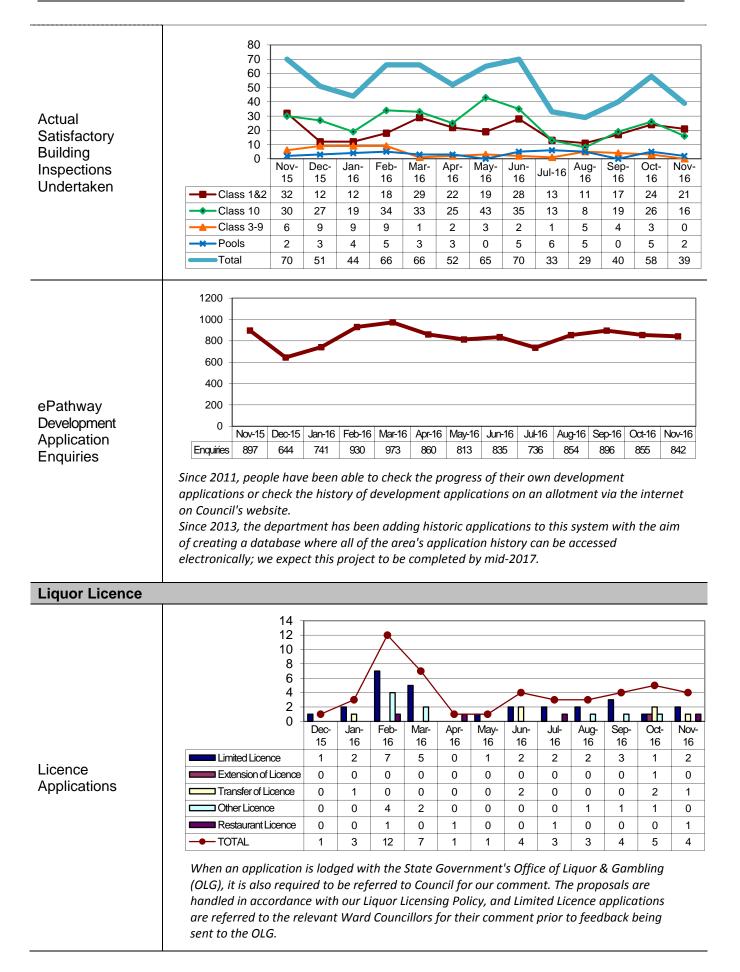

Sec 51 clearances, refers to the final check of properties with approval to subdivide, this is where we give the all clear for new Certificates of Title to be issued.

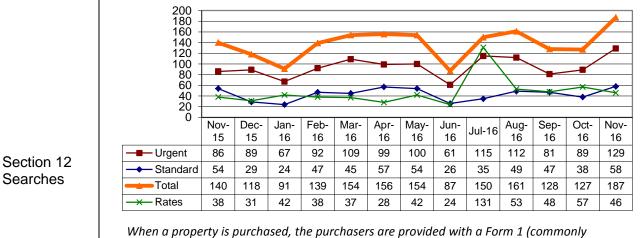

#### Building Inspections

The Development Act and Council's Building Inspection Policy requires that a minimum number of approved buildings are inspected for compliance with their associated Development Approval documentation. In addition there is a requirement to undertake a pool safety inspection upon all swimming pools approved for construction. Class 1 & 2 refers to houses and units, Class 3-9 refers to commercial, industrial and community buildings, Class 10 refers to verandahs, sheds, fences etc. Where 100% of inspections have not been met in a month the requirement is rolled over to the next month until all required inspections have been undertaken.

NOTE: Only successful inspections are recorded, failed inspections are listed for re-inspection

# **Section 12 Searches**

When a property is purchased, the purchasers are provided with a Form 1 (commonly known as cooling off paperwork) Council contributes to this Form 1 with a Section 12 Certificate, the certificate provides the potential purchaser with all relevant known history for the property. Prior to settlement on the property the relevant Conveyancer will also request a Rates statement from Council to ensure the appropriate rates payments are made by the purchaser and the vendor (seller).

# **City Assets and City Works**

City of West Torrens	Effective 1 July 2017
Fees and Charges – City Assets and City Works	Revised 7 February 2017

#### **Roads and Related Construction Works**

Pursuant to Sections 212 and 213 of the Local Government Act 1999, the maximum charges are to be made for all roads and related construction works.

#### **Private Works**

The cost of work carried out by Council for private residents is recoverable by Council under Sections 212, 213, 218, 221 and 254 of the Local Government Act 1999. It is Council policy that private works are the responsibility of the individual resident. Council will however, provide information as to contractor options for residents requesting assistance.

Where the distance across the footpath and crossing places exceeds 4 metres, Council will meet the cost of constructing the additional length, except in the case of crossings into industrial and commercial premises.

The full cost of reinforced concrete crossings into industrial or commercial properties is to be paid by owners.

Fees are calculated on the basis of contractor cost plus Council overheads. Refer to schedules later in this paper.

#### **Road Reinstatement**

Council reinstates roads that have been opened or broken up by statutory authority. Costs are recoverable pursuant to Section 213 of the Local Government Act 1999.

Road reinstatement charges are made up of the recovery to Council of charges for labour, materials and overheads.

# Public Health

Council administers the provisions of various Acts in relation to public health:

- Food Act 2001
- South Australian Public Health Act 2011
- Environment Protection Act 1993

Fines and explation fees for offences under these Acts are prescribed in the Acts. Fines plus any costs awarded against offenders are paid into Court and remitted to Council.

#### Supported Residential Facilities

Under Section 9 of the Supported Residential Facilities Act 1992, Council is responsible for licensing Supported Residential Facilities within the Council area.

Fees are prescribed and set out in Schedule 1 of the Supported Residential Facilities Regulations 2009.

#### Supported Residential Facilities Indemnity Fund

Pursuant to Section 56 of the Supported Residential Facilities Act 1992, 10% of licensing fees will be remitted by Council to the Supported Residential Facilities Indemnity Fund (Regulation 26).

### High Risk Manufactured Water System

Under Regulation 5 of the South Australian Public Health (Legionella) Regulations 2013, all high risk manufactured water systems situated within the City of West Torrens are required to be registered with Council.

Fees are prescribed by Regulation 21 of the South Australian Public Health (Legionella) Regulations 2013, and set out in Schedule 1 of the Regulations.

The owner of premises where a high risk manufactured water system is installed, is liable to pay Council a fee equal to any expenses incurred by Council in arranging for microbiological testing of water samples from the system.

#### **Council Overheads**

An overheads allocation is included in the cost of works carried out by Council.

As the allocation of time becomes less specific, the overheads allocation percentage becomes greater due to the diversity of overhead charges which must be absorbed by users.

Where relevant the overheads rate includes a charge for:

- Employee on-costs (annual leave, sick leave, long service leave, public holidays, insurance premiums, workers compensation, superannuation)
- · Engineering and infrastructure administration
- · Depot infrastructure costs
- · Other administration

# **Overhead Rates**

Council employees	80%
