Travel of vehicle may be approved subject to the following:

1. That the applicant complies with the requirements of the Road Traffic Act 1961 for travel on the specific route at all times.
2. That a permit be obtained by the Applicant from Department for Transport Energy and Infrastructure, Vehicle Permits Team, for the operation of over size / over mass vehicles in the specified route.
3. All vehicle movements shall be undertaken in accordance with the requirements set out in the:
  - Policy for the Transport of Oversize and Over Mass Indivisible Loads and Vehicles, Department for Transport Energy and Infrastructure, June 2006 (and any subsequent update).
  - Conditions of Travel, City of West Torrens.
4. The Clearance must be carried by the driver at all times when operating the vehicle as described in the Clearance on specified route.
5. Any property, equipment or personal damage that may arise as a result of oversize / over mass vehicle travel on the subject roads is the full responsibility of the permit holder.
6. Any tree or vegetation along the road reserve must not be damaged or removed. If pruning is necessary to provide clear access, this is to be performed by Council, with the costs met by the transport operator.
7. Any street furniture relating to traffic control that needs to be removed, be done so just prior to the passing of the transport vehicle and be replaced / reinstalled **IMMEDIATELY** upon passing of the transport vehicle, with the costs met by the transport operator.
8. Additional conditions may also apply for particular vehicles or roads travelled.
