Please read before completing this application

This form is a request for exemption from Section 18 of the *Local Nuisance and Litter Control Act 2016* - out of hours construction works. The application fee must accompany this form when submitted.

It is an offence to carry on an activity (intentionally, recklessly or otherwise) that results in local nuisance.

This form applies to construction activity* proposed to be carried out:

- on Sunday or any public holiday
- after 7pm or before 7am on any other day.

For construction activity that is to take place over a period not exceeding 24 hours – an application needs to be submitted to council at least two (2) weeks before commencing the activity.

For construction activity that is to take place over a period of 24 hours or longer – an application needs to be submitted to council at least four (4) weeks before commencing the activity.

If an application for a declaration is not lodged within these timeframes, the City of West Torrens (CWT) may refuse to consider the application.

Council cannot make a declaration unless it is satisfied that exceptional circumstances exist and that enough information has been provided to make a decision.

*Construction activity includes:

- Demolition work, site preparation work and building maintenance or repair work; and
- The operation of vehicles within, entering or leaving, a construction site; and
- Any activities, at or within the immediate vicinity of a construction site, of persons who perform work at the site, or work connected with work at the site.

1. Applicant contact details

First name:	Last name:
Business/company name:	
Phone:	Mobile:
Postal address:	
Post code:	
Email:	

2. Activity contact details

This person must be contactable for the duration of the activity and in the event that the CWT receives any queries relevant to this application.

First name:	Last name:

4. Summary of anticipated sources of local nuisance generated by the activity

For small scale construction activity, completion of the following section will be taken to constitute a Site Nuisance Management Plan.

Please include a map on the next page showing the following:

- proposed location of the activity
- the likely fixed sources of local nuisance
- the location of premises occupied by persons potentially affected by the nuisance and
- the distance of these premises from those sources.

Map

6. Minimising impacts of local nuisance

For each identified source of nuisance, please provide a proposed strategy for minimising, managing and monitoring the effects on people potentially affected.

Identified source of nuisance	Minimising and managing	Monitoring
<i>Eg: noise from concrete mixing truck</i>	<i>Park trucks as far away from neighbour's property as possible</i>	<i>During the concrete pour, worker to check noise levels outside neighbour's' property</i>

7. Communication

Detail how you will keep the City of West Torrens informed about the activities related to this application.
