## 8. Attachments

The following information is required to be provided with this application:

- A site plan of the proposed area showing -
  - a. the front of the property/building immediately abutting the area proposed to be used;
  - b. the distance to the nearest street (if a corner property)
  - c. the width of the footpath and showing driveways and the area proposed to be used for the requested zone;
  - d. the location of fire plugs, fire hydrants (if any)
  - e. the location of any existing fixed objects, ie verandah posts, lights, services pits, trees, litter bins etc;
  - f. the location and type of any proposed hoarding, bollards or barriers.

**Note:**

- If protective hoarding, bollards or other barriers are proposed to be placed on Council land, a separate application and approval is required for that activity.
- If skip bins are proposed to be placed on Council land whether or not within any zone installed under this application, a separate application and approval is required for that activity.

**Applicant's signature**

**Date:**     /     /

### IMPORTANT

A failure to sign and pay the amounts(s) at lodgement or by the due date will result in the cancellation of any Approval/s granted pursuant to this application.

Expiation notices may be issued for any vehicle parked in breach of the Australian Road Rules whilst this application is under consideration.

Installation of a temporary parking zone does not exempt a driver from compliance with any conditions of use of that zone or from other parking controls pursuant to the Australian Road Rules.
