

kanopy

Stream great movies for free.

Here's how kanopy works:

Up to 10 films per month.

Your library has generously given you 10 play credits every month.

3 days to watch each film.

Once you press play on a film, you have 3 days to view it as many times as you like without using another play credit.

Play credits reset every month.

Once you have reached your quota of films, you will not be able to play any films until the new month starts when you will be given a fresh quota of 10 play credits again. Note: Kanopy Kids has unlimited credits.

Any device.

You can access Kanopy from any device including iOS, Android, Apple TV, Roku, Chromecast, and many more!
