# Why recycle?

The City of West Torrens provides residents in strata title or multi-unit dwellings with a kerbside collection service for waste and recycling as well as a range of other waste disposal options. This booklet provides general information about all these services.

Join our community's 'war on waste' and request a free green lid organics bin for your unit complex. Organic material such as food scraps can go in this bin and be recycled each fortnight.

Two easy ways of recycling organics are:

- wrapping your scraps in newspaper and placing them in your organics bin
- using a kitchen caddy with a compostable liner bag to collect food scraps then placing them in the organics bin.

Collect a free kitchen caddy and roll of compostable bags from the City of West Torrens Civic Centre, 165 Sir Donald Bradman Drive, Hilton. Additional bags are also available free of charge.

Council's aim is to reduce the volume of household material going to landfill and increase recycling. Recycling is a much cheaper option than sending waste to landfill and ensures that valuable resources are reprocessed into new products.

To find out more about why it is so important to recycle correctly visit [westtorrens.sa.gov.au](http://westtorrens.sa.gov.au) to view the 'Tale of Two Bins' recycling videos.

Request a green lid organics bin.

Collect a kitchen caddy and a roll of compostable bags.

Fill your lined caddy with food scraps.

Put the compostable bag in the organics bin.

# Bin collections

## To ensure your bins are emptied you need to:

- Refer to the waste and recycling calendar for bin collection days. Visit [westtorrens.sa.gov.au/waste-recycling](http://westtorrens.sa.gov.au/waste-recycling) or phone 8416 6333 for a calendar.
- Put the bins out by 6am on the collection day and bring them back in within 24 hours of collection.
- Face each bin towards the road with the wheels towards your property.
- Follow the correct bin placement – see the next page.
- Place the correct items in the bins – see pages 6 - 9 for more information.
- Ensure your bins are not packed too tightly and do not exceed 50kg in weight.
- Ensure that the lids are fully closed.

## Was your bin not collected? Is your bin damaged?

Phone the Waste Enquiry Line on 8295 5077.

## Is your bin missing?

Phone the City of West Torrens Service Centre on 8416 6333 or visit [westtorrens.sa.gov.au](http://westtorrens.sa.gov.au) to complete a 'Missing bin report'.

## Are there no bins at your new house?

Phone the Waste Enquiry Line on 8295 5077.

## Who owns the bins?

Bins provided by Council feature the Council logo and remain the property of Council. They should not be removed if you sell or relocate.

## What happens if a property is being redeveloped?

If the property is being demolished, phone Council on 8416 6333 to arrange for the bins with Council's logo to be collected. They will be returned to the property once it is occupied.

Need a reminder of your bin collection day?  
Sign up at [westtorrens.sa.gov.au](http://westtorrens.sa.gov.au)  
for WTAalerts and receive SMS reminders.

### Correct bin placement

Where practical, keep a minimum distance of 30cm between bins, and 1 metre between bins and surrounding objects such as parked cars, poles, letterboxes and trees, with plenty of clearance from overhead branches.

#### Wrong

Bins too close.  
Bin lids open.

#### Correct

Bins 30cm apart.  
Bin lids closed.

# Waste to landfill bin

**The waste bin has a red lid. It is collected weekly.  
Items placed in this bin will be sent to landfill.**

## **What goes in this bin?**

Household waste items that cannot be put in your recycling or organics bin. This includes:

- Plastic bags, garbage bags, cling film/wrap, bubble wrap, soft plastic food packaging, eg. chip or biscuit packets.\*
- Food scraps.\*\*
- Paper towel and tissue.\*\*
- Nappies.
- Plastic and metal lids.\*
- Kitty litter - wrapped.
- Broken crockery, heatproof glass and glassware – wrapped.
- Rags and clothing.
- Polystyrene foam packaging including food trays and cups.
- Ropes, hoses and strapping.
- Smoke alarms.
- Plastic plates and cutlery.
- Glossy or coated takeaway paper/cardboard food packaging eg. coffee and drink cups.

## **Do not put in any bin:**

- E-waste – electronic or electrical items. See page 11 for details.
- Liquids – oil, paints, solvents, chemicals. See page 10 for details.
- Hazardous and medical waste – gas bottles, chemicals, paints, insecticides, solvents, varnishes and sharps/needles. See page 10 for details.
- Batteries.
- Fluorescent light globes.
- Building materials – bricks, pavers, concrete, tiles.
- Hot ash.
- Soil and rocks.
- Fire extinguishers.

# In this bin

**Nappies**

**Soft plastics**

**Old clothes  
and rags**

**Broken  
crockery and  
glassware**

**Polystyrene**

**Ropes and  
hoses**

**Food scraps\***

**Paper towel  
and tissue\***

\* For recycling of soft plastic and plastic lids see the recycling tips on page 9.

\*\* You can recycle organic materials such as food scraps, paper towel and tissues using an organics bin. See page 3 for details.

# Recycling bin

## The recycling bin has a yellow lid. It is collected fortnightly.

Items in this bin will be sent to a facility to be separated and sold for reprocessing into recycled products.

### What goes in this bin?

- Paper and cardboard, eg. newspapers, magazines, junk mail, envelopes, egg cartons, tissue boxes, flattened cardboard boxes.
- Non-coated takeaway paper/cardboard food packaging eg. coffee and drink cups.
- Liquid paperboard cartons, eg. juice and milk cartons – empty, lids off.
- Empty pizza boxes.
- Glass bottles and jars – empty, lids off.
- Aluminium and steel cans including empty aerosol containers.
- All plastic containers, eg. plastic drink bottles, detergent bottles, yoghurt, ice cream and margarine containers – empty, lids off.
- Plant pots and seedling tubs – empty.
- Aluminium foil and trays – clean, squashed into a fist-sized ball.

### Do not:

- Use this bin for soft plastic eg. plastic bags, bread bags, magazine and newspaper wraps, food packaging and reusable shopping bags.
- Use this bin for polystyrene foam packaging including foam food trays and cups.
- Put your recycling in plastic bags.
- Bundle newspaper or cardboard.

### Recycling tips

- Some products have labels on the packaging to show how to dispose of separable components eg. tub, foil, lid, soft plastic.
- Remove all lids from jars, bottles and plastic containers before putting containers in the bin. Large lids such as ice cream and butter lids can be placed loose in the bin.
- Remove food or product residue but there is no need to rinse.
- Place small, rigid plastic items inside a milk bottle (eg. plastic lids, bread tags and straws etc). Once full, put a lid on the bottle and put in the recycling bin.
- Place all recyclables loose in the bin and keep different materials separate.
- Place steel lids inside a can and squeeze the top to stop the lids falling out.
- Soft plastics (dry and food-free) can be recycled at some supermarkets.

# In this bin

**No food waste**

**No plastic bags or items in plastic**

**No nappies**

**No polystyrene**

# Hazardous household waste

**Hazardous household waste includes a range of materials such as chemicals, paints and batteries. Fees for disposal may apply.**

## **Hazardous waste, chemicals and paints**

Free disposal of hazardous items, chemicals and paints is available at the Chemical and Paint Drop-Off Centre, Adelaide Waste and Recycling Centre, 181 Morphett Road, North Plympton, phone 8295 5077.

The site accepts many items including:

- batteries
- pesticides
- oil
- solvents
- gas cylinders
- light globes.

## **Other disposal sites**

### **Batteries**

Domestic quantities of batteries can be disposed at:

- City of West Torrens Civic Centre, 165 Sir Donald Bradman Drive, Hilton.
- Hamra Centre Library, 1 Brooker Terrace, Hilton.

### **Light globes, bulbs and tubes**

Domestic quantities can be disposed at:

- Banner Mitre 10 Glenelg, 599 Anzac Highway, Glenelg, phone 8294 8344.
- Findon Mitre 10, 374 Grange Rd, Kidman Park, phone 8356 7323.
- Metro Waste, 19 Murray Street, Thebarton, phone 8443 8827.

### **Gas cylinders, oils and paints**

- Metro Waste, 19 Murray Street, Thebarton, phone 8443 8827.

**For details of how to dispose of specific hazardous waste items, visit the A-Z Guide to Waste and Recycling at [westtorrens.sa.gov.au/a-zrecycling](http://westtorrens.sa.gov.au/a-zrecycling)**

# Hard waste and E-waste

## Residents are entitled to two at call booked hard waste collections per household per financial year.

To book:

- Phone Solo Resource Recovery on 8295 5077 Monday to Friday 7am – 6pm.
- Complete the online form at [westtorrens.sa.gov.au/hardwaste](http://westtorrens.sa.gov.au/hardwaste).
- Older residents and those with disability, phone Home Assist on 8416 6251.

Items accepted include furniture, whitegoods, electrical items and mattresses. For collection guidelines visit [westtorrens.sa.gov.au/hardwaste](http://westtorrens.sa.gov.au/hardwaste) or phone the Waste Enquiry Line on 8295 5077

### E-waste

Electrical and electronic items that plug into a power point, use a charger or are powered by a battery can be recycled at ERA (Electronic Recycling Australia) 'Unplug N' Drop' locations. For more information about what you can recycle and where, phone ERA on 8374 2276 or visit [electronicrecyclingaustralia.com.au/unplug-n-drop](http://electronicrecyclingaustralia.com.au/unplug-n-drop).

### Waste disposal voucher - conditions apply.

Owners or occupiers of a residential property are entitled to one free voucher per financial year to dispose of a 6 x 4 trailer load or equivalent of waste at Adelaide Waste and Recycling Centre, 181 Morphett Road, North Plympton.

The voucher can be collected from the Civic Centre and is valid for one month from the date of issue. Proof of residency or ownership will be required. A waste voucher is ideal for items that are not accepted in a hard waste collection eg. building materials and grass clippings.

# Illegal dumping

**It is an offence to dispose of litter onto any land or into any waters. Significant penalties apply and legal action can be taken depending on the type and amount of litter.**

Penalties include:

- \$210 - \$1,000 expiation fee.
- \$5,000 - \$120,000 fine if legal action is taken.

Council provides options for free disposal of waste:

- Hard waste collection service.
- E-waste disposal.
- Waste disposal voucher for a 6 x 4 trailer load of waste.

See page 11 for further details on these options.

To report dumped items or rubbish for investigation or for more information phone Council on 8416 6333 or visit [westtorrens.sa.gov.au](http://westtorrens.sa.gov.au).
