**Worm Café \$77.00** – Four tier worm farm, oblong in shape. Provides an easily managed system for composting household organic waste. (Worms not included).

**Can-O-Worms \$74.80** – Three tier worm farm, round in shape. Provides an easily managed system for composting household organic waste. (Worms not included).

**Compost Bin (210 Ltr) \$56.10.**

**Compost Bin (340 Ltr) \$86.90** - Both the 210 litre and 340 litre bins include air vents to allow aerobic bacteria to break down the compost and sliding doors at the bottom to allow easy access to the finished compost. These bins do not require worms but they will speed up the composting process.

**Compost Mate (aerator) \$15.00** - Gloss powder-coated steel

**Worms Starter Pack (1000 worms) \$39.60** - Recommended for setting up both of the worm farms listed above. The starter pack is a self contained unit made of cardboard that is not suitable for the long term housing of worms. A Styrofoam box can be used with drainage holes before purchasing larger plastic worm farms.

**Worms Booster Box (500 worms) \$23.10**

**SUB TOTAL**

**Less 50% subsidy (up to \$50)**

Subsidy applicable to West Torrens' residents only.

**Proof of residency will be required** – one subsidy per property.

**Delivery fee** (no pick up available)
