# ADVENTURE IN THE HIDDEN GARDEN

**TAKE CARE**  
When exploring natural spaces please take care and consider the wellbeing of yourself, the environment and the creatures living there.

## COMING OUT OF YOUR SHELL

Can you see the turtles on the log in the water from the bridge?

## ODDS & SODS

Find some natural items to make a sculpture, mandala, or other work of art.

## DON'T BE A HUMPTY DUMPTY

Balance on the walls. Can you get all the way across without falling off?

## KAURNA ACTIVITY

Build a wardli (shelter). Use what you can find on the ground rather than breaking limbs off the trees and shrubs.

## KAURNA FACT

The wardli is a dome shaped structure that the Kaurna people built for shelter from branches and grasses and sometimes mud or bark. Small villages are called wardliwardli.
