

Household hardwaste collection

The City of West Torrens provides flexible, convenient and free 'at call' hard waste collection services for residents twice a year.

For further information visit
westtorrens.sa.gov.au/hardwaste

How to book a collection

Residents are entitled to 2 free booked collections per financial year.

How to book:

- phone Solo Resource Recovery on 8295 5077 or
- complete the online form at westtorrens.sa.gov.au/hardwaste

Older residents and those with disability who are unable to arrange for family or friends to place items out on the verge for collection can contact our waste team on 8416 6333.

Collection wait times will vary depending on demand for the service. Bookings will be confirmed by email or letter and you will be provided with Collection Guidelines and a label to attach to your hard waste.

Too good to throw away?

Consider donating items in good condition to not-for-profit or community organisations. Alternatively visit our website for more ideas: westtorrens.sa.gov.au/reducewastetips

Waste voucher

Owners or occupiers of a residential property are entitled to one free voucher per financial year to dispose of a 6 x 4 trailer load (2 cubic metres) of waste at Adelaide Waste and Recycling Centre, 181 Morphett Road, North Plympton. The voucher is available from Council's Civic Centre, 165 Sir Donald Bradman Drive, and is valid for one month from the date of issue. Proof of residence is required and there is a limit of one voucher per property per financial year.

Options for items that won't be collected

Visit the A-Z guide to waste and recycling at westtorrens.sa.gov.au/a-zrecycling for reuse, recycling or disposal options or phone 8416 6333.

Illegal dumping

Hard waste items placed on the verge without a booking or earlier than the night before the collection date will be considered to be illegal dumping and may incur a fine. The minimum fine for illegal dumping is \$210 and increases according to the type and volume of material.

The 'At Call' Hard Waste Collection Service is conducted in partnership with Solo Resource Recovery.
