Council Overheads

An overheads allocation is included in the cost of works carried out by Council.

As the allocation of time becomes less specific, the overheads allocation percentage becomes greater due to the diversity of overhead charges which must be absorbed by users.

Where relevant the overheads rate includes a charge for:

- **Employee on-costs** (annual leave, sick leave, long service leave, public holidays, insurance premiums, workers compensation, superannuation)
- **Engineering and infrastructure administration**
- **Depot infrastructure costs**
- **Other administration**

Rates Arrears and Interest

Fine

Pursuant to Section 181(8) of the Local Government Act 1999, if an instalment of rates is in arrears a fine may be made.

Fine 2% of the amount due

Interest

Following the expiration of one month from the date of arrears, interest on the amount of arrears including the amount of any previous unpaid fine and interest is payable.

Interest is calculated at the “prescribed percentage” - see Section 181(8)(c) and 181(17) of the Local Government Act 1999.

Interest on Postponement of Rates - Seniors

Pursuant to Section 182A(5) of the Local Government Act 1999, interest will accrue on the amount affected by the postponement at the prescribed rate as calculated under Section 182A(12).

Reprint of Rate Notices

A charge of \$ 10.00 applies per reprint request per rate notice.
