LinkedIn Learning

There is an online library that you can access too.

This includes eBooks, audiobooks, eMagazines, eNewspapers, online learning, family history, music, videos and TV shows.

We have computers at the library that you can use and free Wi-Fi. You can also print, scan and copy your documents.

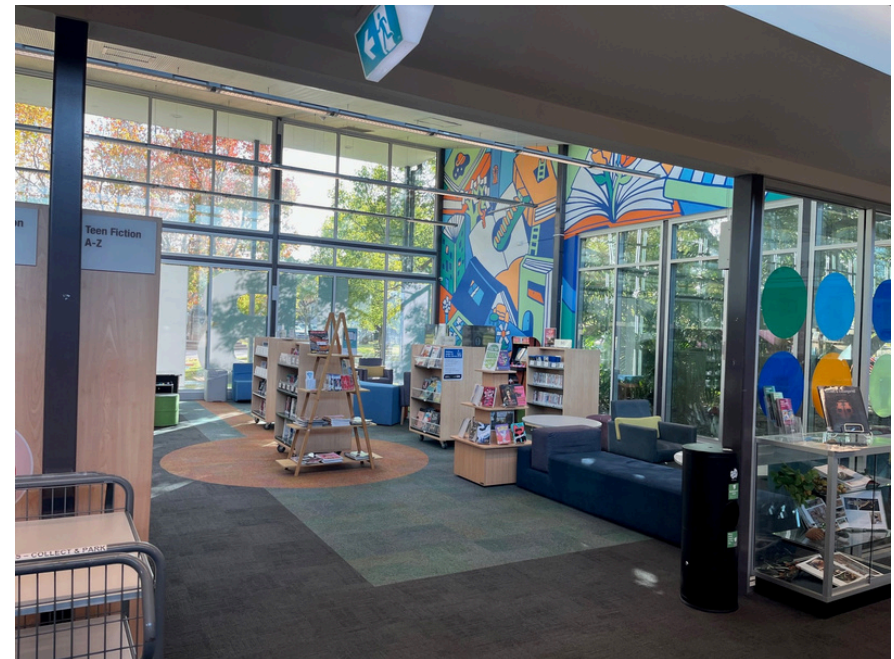

You can see a Justice of the Peace to get your documents signed or looked at.

The library has a children's area.

There is a free Toy Library too.

The library has other spaces too including a learning centre, youth area, sun room and quiet study space.

There is also free cold filtered water available.

There are also many free programs and events at the library that you can come to. These include English classes and tech help sessions.

We hope to see you at the West Torrens Library soon.

The City of West Torrens also has a Mobile Library.
You can learn more about this service on the [website](https://www.westtorrens.sa.gov.au/mobile-library).
