Verge Mowing Assistance

Assistance for mowing grassed verges is available under certain circumstances, as per clause 5.5.5 of Council's Verge Policy.

The City of West Torrens may consider requests for mowing grassed verges if the owner/occupier cannot perform maintenance duties due to incapacity. These requests are considered on an individual basis and take into account factors such as injury, disability or age, and evidence may be required via the application process.

Tick the box below which best describes your reason for needing assistance:

- Verge mowing assistance due to injury *(we offer a one off cut. You will need to request the service again in the future if required).*
- Verge mowing assistance due to age
- Verge mowing assistance due to disability

Please select the box that applies to you:

- Property owner
 Property owner and rented
 Tenant*

**Council requires written permission from the property owner before your application will be considered.*

Please see next page to complete this application

3. Agreement

I/We, understand that making this application will not automatically ensure approval and Council has the right to refuse any application.

I/We, understand that verges that are approved for mowing assistance will be cut a maximum of eight (8) times per year, with any additional maintenance being the Applicant's responsibility.

Having read the conditions as set out in the Council Verge Policy, I/We agree to the application conditions.
